TODAY is the Birthday of _____

8:00 I awake when Guri came. That was
 8:30 about 10' clock. I ate & then
 9:00 The Gauris & came to skate with
 9:30 me. Lora Jami also come to
 10:00 take Mamma & Papa to the Kurletas.
 10:30 Guri & I went to see Citizen Kane. We
 11:00 had to stand ^{on} the freezing sidewalk &
 11:30 wait 20 minutes. We were both
 12:00 frozen. I am glad to have seen
 12:30 the picture again for I noticed
 1:00 many things I hadn't seen before. At
 1:30 the end when there is a bit of
 2:00 philosophizing about a man's life, they
 2:30 say "Any man's life cannot be
 3:00 (summed) in a word. Probably 'roughed' is
 3:30 more like a missing piece in a jig saw
 4:00 puzzle." At the end after the showing of
 4:30 the sled being thrown into the fire, the black
 5:00 thick smoke pouring out of its chimney,
 5:30 to seem it all. Then the sign No
 6:00 Impossibility. "Complete" Guri described
 6:30 it. Pretty, I thought. I hope they will
 7:00 preserve the picture like a book - I kept.

8:00 (continued from 12)

8:30 He talked of many things. The war

9:00 stopped his trip at Chiba. "When

9:30 am I going to take you swimming

10:00 or have a job session with you."

10:30 He said he phoned a few times before

11:00 leaving but couldn't get a hold of

11:30 me. He is his some smooth self

12:00 referring to his names which had been on

12:30 and due to Union Work & school

1:00 at the same time.

1:30 I guess I will be seeing him soon

2:00 & he will tell me about his S. American

2:30 adventures.

3:00 I have become close to Sub. Oda,

3:30 I remember he phoned me during a Toyokai

4:00 cabinet meeting. Just Sunday we saw -

4:30 show together & he come over &

5:00 stayed till 1 AM. We talked by

5:30 lamplight of many pleasant things.

6:00 He says he has overstuffed & I was

6:30 stand at his feet. He made me

7:00 forget all complicated things. I was a happy girl

Today is the Birthday of Lucifer

00 Today sure was a red letter day.
 30 In the morning, a star was out. Go
 00 was a delicate mom, & a corner
 30 birds. Tomi & I talked till 1:30
 00 about "men." We were both very
 30 sleepy.

00 In the afternoon I printed early (my
 30 relations with Geni are so strained)
 00 I went to the Ave with Tom to find
 30 books & a valentine. It was beautiful
 00 weather & a wonderful shopping time.
 30 We talked of picking on the way back.

00 In the afternoon I went home early &
 30 happened to meet Tom the streets. We talked
 00 a while & he said he had left 2 books at
 30 "mine" presumably for mom but really
 00 I stopped at Fumichon's. & the young
 30 O'Byorn boy was there. Evidently the
 00 new batch was sent to S. Dakota. How
 30 sorrow & worries are many.

00 On the way home I happened to
 30 go my main IT & then came ^{down}
 00 boyhood. I met George & Lita!

WEDNESDAY is the Birthday of _____

1:00 Slept ~~to~~ till late.

1:30 Beautiful day - no matter what happens all's well on such days.

2:00 In the afternoon had tea at 2 with Margaret Love, Leo Livingstone, & Marybelle at Commons. We were going to write an essay which will win \$250.

2:30 at 4 I saw Tom. We went to home ~~tea~~ cake at Clark's. He didn't come to school yesterday. Thinking about Tom ahead of planning.

3:00 Tom may get him on top of it all. On way back to like an hour later, he stopped to get a cat. Then we talked about the zoo. Tom is an excellent man. He even imitated babies when he saw a 3 year old taking a walk across the campus. Duke called at night. We'll.

FRIDAY

DDAY is the Birthday of. It was & it ended with
 a quick hotchery. We talked &
 talked & talked of good things.
 We both felt happy & contented.
 I said a pleasant cry sounded
 like a model T Ford; he said
 it sounded like the rusty door
 of a chicken coop being opened.
 He told me of his "dock" of his
 just one house built on a slope &
 with stone walls around it &
 water. He picked a double for
 me & tried to test it under my
 chin but I wouldn't let him!
 We had a nice supper,
 Spaghetti, Bread sticks, Veg salad
 Lemon pie. Paul made the baby
 laugh. Then driving home in a
 open roof car was glorious.
 The man behind the wheel &
 the beautiful sunset & sky,
 green trees & water & the
 wonderful music blend.

 3:30 a girl at the door, "I'll see you
 4:00 tomorrow and we can say

12:30 dog upon yesterday signs were

1:30 this morning bachelors were escorted

2:00 to Camp D. I hear the blind man

2:30 was pitiful. The men took down their

3:00 fixtures or packed their sea bags & over

3:30 again & left. Many people stand

4:00 as near the gates as possible &

4:30 watched & waved. The men

5:00 filed down the street & turned at

5:30 the fair ground. Beside the

6:00 fair grounds are the soldier barracks

6:30 they are supposed to be windproof

7:00 & rain proof. Sort of cozy looking &

TODAY is the Birthday of _____

8:00 Plan Sunday Lightning Drill by Kost

8:30 Rain & big rain gutter on the roof,

9:00 as Michèle says, "It makes the room

9:30 seem warmer."

10:00 The J.C.L. police force is awful.

10:30 As silly strict is John, when the girls

11:00 come from D to take a shower, they

11:30 were told not to visit. The police loaded

12:00 ~~the~~ them into a little group & searched

12:30 their books. The girls were crapping

1:00 saying that this is the only area that

1:30 is so strict.

2:00 Tonight took a "very enlightening"

2:30 talk with James Nogaki concerning

3:00 my shouting across the street to those

3:30 girls - he thought it "improper"

4:00 I would like to get out of

4:30 camp when I'll never hear

5:00 about the J.C.L. or the money.

5:30 The J.C.L. & the camp's

6:00 private garage.

6:30 met John. He told me he

7:00 told us our fortresses. Very cute.
 whatever at Ribon's hands.

TODAY is the Birthday of _____

8:00 Dear Diary. Today like every
 8:30 day here was packed with funny little
 9:00 incidents typical of camp life.
 9:30 I received a letter from Palmita
 10:00 & cookies from Mrs. King. She's very good
 10:30 Tom Tanura was in camp today. He's
 11:00 on the medical corp & has a 5 gun
 11:30 permit privilege.
 12:00 In the evening inspection to see
 12:30 what govt property was in our
 1:00 rooms. We were tried to be
 1:30 thorough with the counting & show
 2:00 byon & become those places.
 2:30 were going to be examined tonight
 3:00 too.
 3:30 Up till the last minute before
 4:00 inspection in the next room the
 4:30 mess hall people & Timberman's office
 5:00 were having a meeting. I gathered
 5:30 Ray Standa was leading it. They feel
 6:00 that the JCF leads & the advantage youth
 6:30 realize but combine common sense with ^{camp} rules
 7:00 covering the strictest & most absurd situations.
 They will have a demonstration. I hope some

8:00 Dear Diary
 8:30 This day is getting on. Its fertility
 9:00 Today Ruth Haine brought curtains
 9:30 for me from Miss Shipley. The
 10:00 curtains she gave to the bachelors
 10:30 next door & next door
 11:00 Last night was funny. After lights
 11:30 went out the ceiling lighted up
 12:00 the man in the corner room lighted
 12:30 a cigarette. a man moved into the
 1:00 corner with Mr Otani & they were
 1:30 both talking. Now I guess Mr
 2:00 Otani isn't too dumb. Mr Popper said Mr
 2:30 Otani ever had the store going. Mr
 3:00 Otani was saying "they are strict barge
 3:30 in the door precisely at 10. But then
 4:00 are good points too. At one end of the
 4:30 coming there is a specimen screen, green
 5:00 screen." An older man said something too.
 5:30 Later in the evening we had our next
 6:00 door bachelor opening bag & munching
 6:30 on potato chips. We laughed each time
 7:00 it cracked.
 chips come & stayed 1 hour. Colorado talk

TODAY is the Birthday of Pat

8:00 Ben Duong

8:30 Very hot today. We stood 2

9:00 of our cats outside today &

9:30 mom began to air our clothes.

10:00 In the afternoon we were all free

10:30 because no school & no apper.

11:00 I posed for tenka 3 hours while

11:30 he painted a portrait of me. Funny

12:00 the picture has more resemblance from

12:30 the side. It's funny & hungry

1:00 from the wall in front of me.

1:30 Into this midst come May & Bill.

2:00 Bill had come for library work & he

2:30 selected some for the assistant to the

3:00 library. Bill thought the picture resembled

3:30 me. Although it was very ingrate I

4:00 suggested playing badminton to Bill. We

4:30 played out in the park & discovered

5:00 Tomi & Tet sitting on rather high on a

5:30 gaze with their stockings & listening to records.

6:00 Let's see what they up and down my slips so

6:30 then we set leaving against a board telling

7:00 jokes & feeling heated. At Bill told me what
Dan said about me; about the one being restful.

TODAY is the Birthday of Received good letter from Duke

8:00 Dear Diary

8:30 Today the first flood reached

9:00 somewhat. However, there lay the

9:30 pond blocking the whole alley front

10:00 the neighbor's garden. Some days may

10:30 keep hole on this side. Then they

11:00 needed to chop a path for the water. The

11:30 water rushed as huge falls into the

12:00 hole pulling it up. Everyone had fun

12:30 watching & pushing the water along. Late

1:00 the ground truck came & mowed up

1:30 the mud to a possible state.

2:00 Today in the library we found the

2:30 largest round top. The children rushed to

3:00 the door. Huge ropes were strung up

3:30 with rings & large apples. Some good

4:00 books like "Katter", "Dot" & "The Circus"

4:30 at night. Terri came & painted in

5:00 "Sleepy Beauty" very pretty. Shellen

5:30 too. Meanwhile I was knitting

6:00 time was listening to Ted talking about

6:30 aloha. watching him draw

7:00 stick doll with me

My eyes close me about 9:00.

1:00 Tom & Bill are so much alike

1:30 We were together all day today

1:00 from 6 am (except for about 3 hours

1:30 here there) until 9:30. on the way

2:00 back we stopped at the laundry room &

2:30 took a cold drink & worked over books

1:00 Everybody seems to work in there. We &

1:30 women all crowded in there.

2:00 After working for a - going at the cows we sat

2:30 cooling after the warm day & hot game

3:00 talking about many things. Among other topics

3:30 we suddenly came to, "There's always a person

4:00 equally great behind a great person?" "Who's

4:30 behind me?" he asked "No one" I said

5:00 but he looked at me & we held hands

5:30 with so many other around there.

6:00 We played 9th Symphony in the

8:00 Dear Dean

8:30 Today was beautiful. We had

9:00 to register for our summer

9:30 trunks. Long lines.

10:00 In the morning I saw (talk)

10:30 but not rapidly or got out of the

11:00 mess hall. Later he came in

11:30 his blue ^{& white} shirt to ask for some

12:00 sort of notes. He fixed my picture.

12:30 Later I stopped at the library when

1:00 on my way to exercise class. By

1:30 afternoon we were quite back

2:00 to normal. By 4 we were

2:30 sitting on the coal side of the

3:00 barrow talking of silly things.

3:30 By 6 - time, but I went

4:00 to the coal side of the barrow

4:30 at the end & took cold sweat

5:00 intervals. Many people came for

5:30 drinks. Finally I walked barefoot

6:00 in the gross boiling woods. I acted

6:30 disgustingly intimate with. Then before

7:00 everybody I was barefoot & he too
also in tennis shoes (Boy scout style)

4:30 he tried to go in my street paper

5:00 slid "no" pot that he is cruel

5:30 but punctilious. It was very

7:00 Well as soon as ^{room} papers left,

I joined Taker. He had been

scolded again & was terribly shrewded

We went to the gymnasium but

overstayed. Wrote came home just as I

was returning. Knowing I would be

scolded anyway I went to the

bookyard with Taker. About 9 o'clock

Wrote came there! I went home

rapidly.

9:00 it seems we sat on the side of

3:00 "I don't think so," he said, "But I

5:30 I knew it would be of no use to

FRIDAY is the Birthday of John D. Rockefeller

00 John D. Rockefeller was born in 1839. He went to school in

30 my district. I don't know how I can get to write.

00 I saw it was outside of it. I will have to find a

30 method of description.

00 Today, well - I'm on the way of things.

30 I guess I had decided not to see

00 John but in the morning we had elections

30 at school. I looked outside & saw

00 John talking to Frank by the

30 window of the library. She was sketching

00 something. I had to put down myself

30 from time to time in order to see if they

00 were still talking. Before 11, because

30 election results were being computed, I left.

00 I went to the library. I was sitting

30 outside on the bench. I had just started to

00 avoid the dream of being choked & choked in

30 went the way you know. I made a knife cut

00 in his arm. It bled & he asked me what I would

30 do if he died of blood poisoning. I made

00 a knife cut on my arm & it bled more

30 frequently than his. Em was gone & we had to

00 go in to check books. At 12, he closed the windows

Dear Dad

8:30

At the end of the day, I

9:00

thought to myself "what happens

9:30

today. Then I went outside

10:00

and to the extent it with Tom

10:30

of Michi's. Myself Michi was

11:00

sitting on the bench with a friend

11:30

I left Tom's & Michi's and

12:00

found him. The story & length,

12:30

was nice. I said to him "Dad

1:00

fell so much" and he said, "Dad

1:30

fell like that to me tonight" & pulled

2:00

down his hat. He came near me

2:30

& his eyes were sparkling, he was

3:00

very nervous, and he smiled. "What's

3:30

you got it?" I said "something"

4:00

he said remember what I told you,

4:30

don't you?" & he shook away.

5:00

I got up & he said, "Of course I

5:30

know you so I wouldn't be

6:00

crude or anything." I went to the

6:30

what it & at the way back I saw

7:00

him & his friend walking up towards

I heard his voice on a long street

from D for us,

3:00 Dear Dad

3:30 What have I done to Tenka? My cancer

4:00 has caused so much unhappiness. I

4:30 only hope it will not be too great a

5:00 consequence to his eyes. After ~~my~~ Tenka

5:30 Tenka went ~~back~~ with Gene at the gate,

6:00 I ^{was} returning & saw him. I had not seen

6:30 him all day. I went up to him & showed

7:00 me a 4 day diary. We walked to the back

7:30 yard & he showed me the spot where he had

8:00 found it. He talked in his own words & what it

8:30 amounted to was, "I am alone and feel

9:00 unwanted." The rows were soft shadows

9:30 in the pasture. Beyond hills and legs

10:00 and the train whistle. "Can you imagine

10:30 anything more peaceful?" He mentioned it

11:00 for "Can you etc." Name came &

11:30 looked me what I was doing & returned home

12:00 immediately. I wanted to say a few last

12:30 words to him so visited. He crossed &

1:00 seeing a long group of people coming I no

1:30 longer hesitated but ran.

DAY is the Birthday of _____

Dear Diary,

Today was so full of messes. For one thing we could hardly see the floor because huge crates & dust was lying all over. The neighbor's baby is recovering. Thank heaven & tomorrow's evening is becoming considerably

In the afternoon I received a letter from the friends in Philadelphia asking me to join the movement; also from the Bank Street saying the bill would be \$7.42 very reasonable.

Tom & I had a fight. I then began knitting. Joan & Suzanne got involved. I was busy for a long time when I received mail. It was a note from Bill that of course reversed all proudness of the day. I became so happy & light when Mum came & talked with me. She sent out 14 pieces of luggage. He helped. The other prospects have been approved. Got Bernard's party over. Knitted quite a bit. Wrote to F.L.D.

TODAY is the Birthday of John F. Kelly + Mark
 Dear Diary some good luck
 This morning was so cold I
 had to stay in bed with my
 legs tucked in and pulled
 my sleeves
 In the afternoon looked at
 your sample book & ordered later
 we went down to the downtown
 section. Then we went to
 Tohoku & was a mess of
 1:00 of 41.
 Met Bill & went to
 to come while I was
 gone. Played pool
 when I came home
 Ted, Mike, Tom &
 Tom were sitting on
 low steps.
 Come home with gas
 almost stiff. Milk
 by store. Milk way
 happy

when the plane went out we saw the port of Bill's DAY is the Birthday of Bill I felt. They seem to occupy such

:00 Dear Diary, a major point in

:00 no trees no trees or insects work + in for us,

:30 nevertheless we can feel it in the texture

:00 of the air, in the height of the heavens,

:30 the vectors they are rising away from us.

:00 Tonight to the library came

:30 Dyer. He was there at the last

:00 minute so that the girls were

:30 awfully peeved at me for droggy

:00 post here - naturally I couldn't find a

:30 book to please him & finally

:00 promised to bring my copy of Tolstoy.

:30 We dropped in at Echezobon's:

:00 Goshi Fujihira, Mahi (Haki), & I

:30 We listened to records, I turned

:00 them & Wazgat talked about Bill,

:30 Willie or she calls him. Then she

:00 says things about him & she's terribly fond

:30 of him. It seems he sent the corporation

:00 T-shirts with Oberlin inscriptions.

:30 His King Room was on the shelf. It was

:00 signed "To Willie on his 2nd birthday, August 7, 1942. Ma"

TODAY is the Birthday of Agoncillo ¹⁸⁵⁹⁻¹⁹⁰¹

8:00 On the eve of the ~~last~~ ^{last} day of

8:30 Sept have stayed by me - I

9:00 have begun to knit Bill's socks

9:30 out of green knitted socks.

10:00 Love must come to you in

10:30 little storms. Yesterday I received

11:00 a letter from her in the

11:30 morning. Papa had got it at

12:00 Makapuu. Sunday & had forgotten

12:30 to give it to me. Tonight he

1:00 brought home a book from you.

1:30 It is The Witness Tree by Robert

2:00 Frost. It was wrapped in tissue

2:30 paper & when I unwrapped it wilted

3:00 with the string. The paper is beautiful

3:30 & a gray book cover with the witness

4:00 tree. It's a beautiful book.

4:30 Papa, Kiebo, Timi & I are working

5:00 now. I wish Papa didn't have to

5:30 work under Mr. Eguchi. Buddy

6:00 is a way & he comes home every night

6:30 from the clothes washing place I feel

7:00 it is a major tragedy of the war.

TODAY is the Birthday of _____

8:00 it died in an hour. Janet didn't
 8:30 come. Jane is ill. Her mother
 9:00 called the doctor. Only 104° temperature
 9:30 notes hospital care.
 10:00 Rain & rain. Surely today it
 10:30 rained & I remembered Seattle.
 11:00 Ground is actually getting muddy
 11:30 & we have to change shoes to walk
 12:00 into the room.
 12:30 Today Dyle came with George. The
 1:00 fly held up a sign & only mark
 1:30 & I saw the Librarian there.
 2:00 We looked at the elderly birds
 2:30 the sign. Clerk works & sent
 3:00 are going to a meeting & electing
 3:30 etc. The great American sport -
 4:00 meetings & elections. Dyle looked
 4:30 nice in his black thick coat.
 5:00 George looked muddy. He doesn't
 5:30 even flock anymore.
 6:00 In the cold even the
 6:30 doll's face looks so cold & drawn &
 7:00 its eyes stare so blankly & coldly
 in the still air.

TODAY is the Birthday of _____

8:00 ~~morning~~ that Mr. Egund & the Papa
 8:30 refused to eat any food. He was
 9:00 complaining about the weather &
 9:30 size & quality in general. Finally he
 10:00 said, "Look at my hands. Don't
 10:30 look as if I ever had to do this kind
 11:00 of work in Seattle. Jim ^{agony} was ^{now} ³
 11:30 Papa said to him, "Don't let like this.
 12:00 Don't let it get you. At this I mean here
 12:30 were men working up to ~~at~~ something
 1:00 for 40 years & suddenly in this
 1:30 short time we become like them,
 2:00 our children become like them. We
 2:30 ^{how} ^{and} ^{plenty} ^{appreciate}. " Then the
 3:00 man quieted down. So did the others &
 3:30 they ~~seem~~ ^{to} be left.
 4:00 Really it's so cold all we can do
 4:30 is to creep into bed. The man at
 5:00 the lake went at 5 AM to get wood
 5:30 from the wood pile for our stoves
 6:00 his deer. The cold ^{drips} ^{comes} down
 6:30 your back & neck. The land is so
 7:00 longer tries in a day. a north eye

1:00 of course demands a letter. So did Jackie &

1:30 a fat one. I must write, you too. All

3:30 will make Norm our roads narrow,

4:00 it is shrouded. Paper described men like

WEDNESDAY is the Birthday of _____

:00 This is some life. I did go down to
:30 31 Library this morning & I saw Alvin
:00 Torg about sending books to the mess halls
:30 while school registration goes on. I
:00 saw Torg & I thought to myself: what
:30 have I done to him. ~~He~~ He talks about
:00 dying all the time. He's obsessed with it
:30 but people ought not to worry about
:00 dying. ^{What} It is important is leaving here
:30 to live. After after all death is
:00 the last act of dying we must under-
:30 stand." Of course I did not say all
:00 this to him or to anyone. I just thought
:30 it as I walked with an book in my
:00 pocket; the other holding a long point
:30 walking in the lunch hall morning.
:00 Received Hummel cord from
:30 Flo. She went into their Falls
:00 Saturday & saw it. Bought, morn,
:30 & sleeping bag.
:00 Margaret will leave tomorrow & we
:30 had party for her at her home
:00 tonight. Present were Yuni, Ted, Flo, Yoshi,
me, whole pack of ladies.

TODAY is the Birthday of Sueko had great broids!

8:00 Yuki & I went to upper section
 8:30 freight. I hated to work
 9:00 mine about staying alone in
 9:30 the lib because Janet had
 10:00 taken night off. Especially
 10:30 when I said "excuse" to mine,
 11:00 "I'm going to the concert tonight" &
 11:30 she said "I like to go to those
 12:00 things too." I suggested we
 12:30 going together but she said
 1:00 I had worked so hard and not taken
 1:30 day off etc. I meant to get
 2:00 she would watch the library
 2:30 Yuki & I walked down to Flo's
 3:00 but the concert scheduled for 28 was
 3:30 not there. We went to 40 & the
 4:00 had tea at Flo's. Beautiful beds
 4:30 & good warm service. She kept
 5:00 on serving & serving us till
 5:30 after 10.
 6:00 Yuki & I walked home talking about
 6:30 various people esp. Toshiko wondering
 7:00 what would happen to her relation with

11:00 Rec 17. Terrible receipt & crowd on

 10:00 Higorin was there also. He got in
 10:30 at 9:15 & out at 11:30 post.
 11:00 Crisp crisp air after the warm sun.
 11:30 Guchi & Toshiko & Guchi & Mitche
 12:00 I walked home together dropping
 12:30 people off me by me till finally
 1:00 only Guchi & I were left.
 1:30 Tonight Toshiko & Guchi come to the
 2:00 library. He played up to me
 2:30 Terribly & as he kept gazing beyond
 3:00 me as he talked it seemed on
 3:30 me that he wanted an introduction
 4:00 to Janet. She looked attractive in a
 4:30 pretty green sweater. He says "you're all"
 5:00 & has a dramatic flourish once in a while
 5:30 which is forgiveable considering his behavior
 6:00 & a Duke man. What I resented
 6:30 most was his trying to gladden me in order
 7:00 to get to know Janet.

2:00 item today she was copying
2:30 down poem after poem.

TODAY is the Birthday of Bitter cold ^{staying} morning & night

8:00 Letter from Bill. Henry

8:30 Turn our minds next I begin

9:00 to write me to him today.

9:30 Did lots of book chapters

10:00 & table chapters. Very tired.

10:30 Heard interesting things about

11:00 workers' attitudes tonight. It

11:30 seems the boiler men are

12:00 striking. They say no vital

12:30 truck brings coal to the

1:00 furnace now. New handbook

1:30 said "It is right to strike

2:00 but in the bitter cold weeks

2:30 what are women with babies

3:00 going to do. See working account

3:30 about me boy. You fellows

4:00 strike. " & after all this

4:30 great inconvenience that these

5:00 men shout about. can be

5:30 taken care by & what

6:00 hammer shoves & they ^{always}

6:30 say "16. I quit. 54 or how"

7:00 What unheard of kind of

argument

TODAY is the Birthday of When I come home Tomi was home,

8:00 Dear Diary,

8:30 Today's Suebs came to the library

9:00 Sitting by the fire we talked & it

9:30 seemed like school to talk from the

10:00 misconception of ideals. What is there

10:30 about camp that makes people do

11:00 things in a half-hearted way? Can-

1:00 with her. She was surprised to find

1:30 me was in the full swing of things

2:00 in camp. Thought of more a socialite

3:00 at night Georg Tobaku came con-

3:30 cerning books he lent me. Halloween

4:00 PARTIES parties. I was alone & the like to myself

4:30 Cupped & apple pie at Toshiko's

5:00 home thought. Talked. I felt quite

5:30 hypernat zed partly by 3 cups of

6:00 coffee, partly by heat, partly by

6:30 continuous talking for a long time

7:00 while they list great
Toshiko said Yukio just like

TODAY is the Birthday of Letter from Tombo son

8:00 Dear Pina,

8:30 Pouches in the morning were

9:00 so good. Susie came to lib. Joe

9:30 returned too. I said to her "I thought you

0:00 were going to die." later Bill said

0:30 "Hello" to you. She said "What are you?" "That

1:00 you're a bright girl?" She laughed delightedly &

1:30 said "But you don't think so" Susie was

2:00 looking at Fortune mag. She said she had

2:30 received a letter from Tom Bodine demanding

1:00 an excuse for why she had not left camp yet.

1:30 She was going to write to him saying

2:00 she was. I told her about Schae too. She

2:30 asked me if I had any idea what kind of

3:00 work.

3:30 This morning when I took the flower

4:00 bunch to Mrs. Wakers she asked me to

4:30 story about; asked me about Willie as she

5:00 calls Bill; about the being being; about

5:30 where I lived; about the fact they had

6:00 been talking about me this morning. In

6:30 my newspaper I dropped my flower

about Miss. Brewster, Chipp, Lisa,
MONDAY is the Birthday of ~~antenna~~ Lisa, 'Jutro'.

1:00 Dear Day.

1:30 I received a letter from Chipp.

2:00 Very good to hear from her on the part

2:30 she mentioned 5 room house 19"

3:00 of snow - such things make me realize

3:30 the big hand about the two on us.

4:00 at lunch - I ate with Lynda &

4:30 Mike. Mike also went to let at 5. Spent

5:00 remainder of time at George Toher's.

5:30 Impressed to see so many good new

6:00 heads. He reads like wood. Red eyes. Blue-

6:30 nay to see big potatoes. At present working

7:00 in hospital & digging wood from scrap pile.

7:30 Quite impressed by candy & pillow size,

8:00 hat & of pills, photographs albums, tea

8:30 cup heads not plate. Room pretty but

9:00 important. Father talked of coal & wood.

9:30 at night Howls came to let & we

10:00 talked & talked laughing most. They said

10:30 to me "you never seem to be here. by

11:00 then somewhere. Your eyes seem to be

11:30 think" they all talked at once to I

12:00 remembered that people have been always thought

of me.

8:00 This storm was seen the ravage
 8:30 of the storm while being
 9:00 20 minutes to 4. The weather
 9:30 has completely changed since
 10:00 that time. We were afraid the
 10:30 house would be blown away. One
 11:00 out house was wrecked off the ground.
 11:30 Another the roof had been torn off &
 12:00 you were trying to lift it back into
 12:30 place. One name plate was torn off.
 1:00 The signboard in Mr. Hidaki's garden
 1:30 had been wrecked off.
 2:00 Papa & I went stork hunting. There was
 2:30 some hail & snow & sleet & we
 3:00 were lost. Desolate, but nothing to do
 3:30 except to go on. No time to stop or any.
 4:00 I was tired but I could not leave
 4:30 or rest on anyone. I had to go on.
 5:00 Later I had to load at the water
 5:30 tower that was supreme taste. I had
 6:00 to look around too. There were
 6:30 pheasants, magpies & rabbits. Papa tried
 7:00 to interest me in them momentarily stopping to
 break but I ran.

It is raining now. Shee poetry. & see a show

8:00 Tonight I went to the show with
 8:30 George. We were surprised to find
 9:00 we wouldn't have to stand in line
 9:30 at all. We were just in time
 0:00 for the start of Allegory by Yves.
 0:30 In the course of the show I found his
 1:00 arms behind me. During a scene when
 1:30 prisoners were chained I slept down on
 2:00 the seat & he held me. It established a
 2:30 new relationship between us. He took
 1:00 me to the hospital for a snack. I
 1:30 saw Fumochu & she said she would
 2:00 visit me tomorrow. I saw Emi sitting
 2:30 too. Gasia choir started. Visited in the
 3:00 pharmacy. They know each other very well.
 3:30 It's a definite family like affair playing tricks
 4:00 on each other such as pouring salt down
 4:30 G's neck during snack. Jack Chick, Kim
 5:00 someone, Wendie etc by intelligent groups.
 5:30 On the way home in the street he said
 6:00 "Look up look's like a fall, she doesn't it."
 6:30 It was a phone. He visited me for a steady
 7:00 ride up to FD & the

 So the old thing is new again.

8:00 Dear Tom

8:30 Today I wrote a note & enclosed

9:00 the booklet in the envelope I

9:30 left during the afternoon and gave to

10:00 give it to George. In the evening when I

10:30 went over I discovered he hadn't

11:00 come after all. So then begins my

11:30 yesterday. I labored a bit at the

12:00 house. It was cold at night - lay

12:30 slush in the afternoon. I find I

1:00 myself slow slow long for

1:30 Tom. I believe more on a week

2:00 of summer home. Perhaps take

2:30 advantage of his location I might

3:00 find it in me to have you

3:30 with me at the last

4:00 moment. I will naturally leave

Today is the Birthday of _____

6:00 Dear Diary,

6:30 This is the last day of a really

7:00 important year. Tonight I decided

7:30 not to go to the dance at the hospital

8:00 & to knit instead. I made a little

8:30 knit, & went out. Tom saw her sleeping

9:00 check dress. Just as she was finishing

9:30 it. Ted came & asked her to go to

10:00 the hospital dance. She decided to

10:30 finish the dress & wear it to the

11:00 dance. I went behind the curtain

11:30 & dressed. About 10:45 when they started

12:00 Papa went to the hills again &

12:30 in the evening took a sleepy stroll to

1:00 the parkway. He cleared rubble

1:30 Momma swept the room - that was

2:00 about the only incident to settle in.

2:30 I went to take a call & a few

3:00 minutes after I returned a whistle

3:30 blew 12 o'clock. Happy New

4:00 Year. The men & women next door

4:30 rushed out thinking it to be a fire.

5:00 I didn't even bother to switch on the

5:30 lights. Instead I set about to
