

TOPAZ REUNION 1992

50 YEARS
1942-1992

50th YEAR

TOPAZ REUNION '92

Welcome to the 50th YEAR ALL-TOPAZ REUNION!!! The Reunion Committee has organized many events for your enjoyment. Their goal is to help recall the things that happened to us fifty years ago and how we coped and survived in a place called TOPAZ.

Enjoy perusing the photos, artifacts and memorabilia in the exhibit room. See if you recognize some of the people in the photos. The handicrafts made by some of the Isseis are amazing. These beautiful and useful things were made from raw materials they found in the desert. They seem to reflect the indomitable spirit of the Isseis, to persevere and survive, to make the best of a bad situation.

This is *your* reunion. We urge you to attend *all* of the Saturday activities and participate in the discussions. It will be very interesting to hear your special recollections of Topaz.

Most importantly, have a wonderful time visiting with your many friends and acquaintances from Topaz.

The Reunion Committee wishes you a HAPPY, HAPPY REUNION.
