

1/ ^{April} 12 March 45

Darling,

Thanks ever so much for the letters you have been writing to me.

Well I guess I should write more often than I have in the past eh. My dear I'll do my best to write you every chance I get.

Well everything is still the same around here. Yes I am in a Repl. Depot and I'll try my best to stay there as long as I can. I sure do hope that this war would end soon so that we all can come home soon.

2/ I don't care any to
much for decorating
and so forth. all I
want to do is to get
home to you and ai-
been all in one
piece. Well I imagine
lots of the boys are
coming home cause
they have been over
here for a long time.
all I can say is
that they deserve
it.

Well how it sure
does seem like you
married the wrong
kind of a guy when
you married me.

Sis is very fortunate
to be engaged to a

3/
swell guy. I don't
know Walter so very
well but I think
he is okay. I don't
know why I am the
kind of guy I am
and I imagine I'll
always be that way.
I'm not going to
make you all kinds
of promises nor any-
thing hon. Well hon
there is one thing
I can assure you
and that is that
I love you with all
my heart. I'll always
be ~~that~~ that way
me love.

7/ See I've still got
to write to Trudy
and my folks. I
guess I'll do that
in the next few
days. On my time
off time just fly
by. Last night I
worked until mid-nite
and finished up this
morning. It is just
one of those things.
Well any hoop work
has never hurted
any one and besides
it keeps one busy.
Besides I've got to

5/ go to bed early
to night cause I've
got to get up early
in the morning. It
seems that I can't
get to bed before
10 each night cause
I've got to do this
and that. Well all
I can say is that
it is a lot better
than being where
Archie is at. Well
I guess my day will
come some day and
I maybe where he
is. One never can
tell what may happen
around here.

6/ Was intending to write to Judy tonight but it is getting rather late. So I guess I'd better go to bed.

Darling I love you and miss you and Aileen with all my heart. It really comes from the bottom of my heart.

Am going to close for tonight. Please take the best care of yourself and Aileen. Good night darling. Love you sweetheart.

always
Faithful
you Mrs. Alvin E.
Love
at

always yours,
Hubby Alvin
