Darling,
I sure am happy to
know that you and
Sileen are okay. As
for myself I'm alright
except that I miss
and love you and
Sileen with all my
lonely heart beautiful.

Finished writing
to Judy. It really
was about of her
to write me. Well
I guess I'm just about
caught up on my letter
writing again except
that I owe you more
letters than I could
ever write for the
rest of my days.

2/ Well how about
archie writing interest-
letters about the
places he visit and
so forth is fine. I
would like to do the
same but I hardly
go places. I stay
in a place where
we train men and
not out roaming
from one town to
another. Nearest I
would write and
tell you about a lot
of things but it
wouldn't pass. They
would either cut
it out or send the
letter back to me.
Well I'll tell you

3/ all about every thing
after I get home I
and I can bet
you that you won't
believe me. There
are many a hard
stories I'd tell you
how if I ever get
the chance to. For
my work out here
is to train men
for the Infantry
I'm doing it and
am doing my best.
all the men need
is plenty of hard
training cause
they need it an
awful lot. Besides
I need a lot of it

4
myself cause I
may need it some
day soon. One never
can tell what may
happen way out
here.

I haven't anything
much to write except
I love you. how cause
every day we do the
same things. If
we travel from
one town to another
and so forth than
I'd be able to write
you more about
things in general.

Well how since
it is getting rather
late (10:30 P.M.) I guess

27 I should go to bed.
we have to get up
early in the morning
and our day starts
plenty early. No
rest for the wicked
so they tell me.

Darling please
take the best care
of yourself and
Aileen. Good night
darling and write
soon and every nite.
Love you sweet heart.

Always Yours,
Harry Alvin
Always Faithful
To you Mrs. Alvin E.
Love,
H
