

14 MAY 1945

Darling,

Well here I am again
and I hope that this isn't
getting on your nerves.

I see that you still
love me a little bit yet.
Darling I have saved a lot
of your letters and I
read them from time to
time. Whenever I don't
hear from you for a
few days I dig into
your letters and read
them over again. Now I
would like to send them
back to you for safe
keeping. What do you
think my dear?

Well now I know now
that I won't be home
for at least another
year cause I haven't

27
I got enough points. I've
only got 59 points. I lost
10 points for the bad
time or should I say the
lost time I spent at the
R. C. If we had another
child I would of had
or rather gotten another
extra 12 points. It has
been all my fault
and I guess I'll have
to suffer for it.

The weather out here
is just like around
San Jose only it is
a little warmer here.

I don't know how much
longer I'll stay around
here and I don't know
where I'll go from here.
Well how I pray that
you will be waiting for

3
me when I come home.
I love you my dear and
you mean every thing to
me.

Dearest I know that
your love for me has
faded in the past
few months again and
I am kinda worried.
all I can say is that
if you do love me you
do and if you don't
you don't.

How is our lovely little
sileen getting along these
days? Sure pray that
she won't be spoiled
any to much by the
time I come home. Gee
hon she really is cute
and sweet and I do
love and miss you both
with all my heart.

4/ Well I have written
my sister a few letters
in the past few days.
I haven't written to
William but I have
or did mention in my
letter to her about him.
Yes for it would be
a shame and a pity if
he grew up to be like
me. That really would
be awful. Well if
he doesn't straighten
out than when I do
come home their sure
will be some changes
made.

Darling reading over
many of your past
letters I see where I
have failed to answer
a few of your questions.

5/ as for you how you
haven't answered some
of the questions I asked
of you. They were kinda
important to me but
I guess it is best to
forget about it.

Well I may be going
into Rome some time this
week and if I do I'll
look around for the
things you wanted. I
had something else in
my mind for our
~~anniversary~~ anniversary but I guess
it could wait. I have
taken care of the things
for Aileen on her birth-
day and I sure do hope
that she will get it in
time. I'm going to have

6
Kae get her a tricycle
and I have already
sent her fifty dollars.

I wasn't going to tell
you anything about it
but for some reason
or another I'm in a
better mood tonight than
I have in the past
few weeks. I sure do
feel homesick and
lonesome my love, and
I feel pretty bad.

Well I haven't heard
from Archie since I
last wrote to him. I
bet he is plenty happy
that this thing is over
and I guess he will
be coming home real
soon.

7/ Well my love I am
going to close for tonight.
Pray that you'll ~~love~~
love me forever and
that all your thoughts
and dreams are about
only me.

Good night my darling
and please take the
best of care of yourself
and Aileen. Please keep
in mind that you are
still Mrs. Alvin E. and
that your hubby is
still very much ~~above~~
alive and ^{is} overseas.
Good night darling.
Love you sweet heart.

always yours,
Hubby Alvin

Always
Faithful To you
Mrs. ALVIN E.
Love
Al
