Darling,

How are you sweetheart? How is our little daughter these days? But she is giving you a hard time eh? Well kids will be kids you know. How is your kidney trouble now? Sure do pray that it is well and isn't causing you any trouble.

Well couple of us boys went to Rome this afternoon. It was rather warm and all we done was just saw a movie and ate and ~~come~~^{came} back to Camp.

There really is no pleasure going to town or anything cause I am to darn homesick. I'll sure be happy the day I'll be going home from this blackity black Italy.

I received a letter from Jim again to-day. It really is swell of him to write me so often. He doesn't say much but it is just the idea of him writing

24
to me. I really do enjoy any
kinda letter from anyone
cause I'm so darn far away
from you and Aileen. Yes how
the letters from you are the best
and they do me the most good.
Darling a letter a day would
to keep me going as long as
I am here. (Just a hint but don't
mind me.)

Well tomorrow morning we
are a soft ball game to play
and we also have one Monday.
It sure is good that we have
something like that to help our
mind occupied or however
you spell that word.

See how I have been drink-
ing three and four cans of
beer. Sure hope you don't
mind my dear. Well I don't
drink nothing stronger than
beer so please don't worry. Yes
I agree with you that this Army
has ruined me but please
forgive me and love me always

3/
my love.

See how I really do feel bad because I haven't written to Frank in a long period of time. Will you please give him my best regards the next time you should see him and tell him that I haven't forgotten him. Tell him that I'll write him real soon. I have been trying to write him for some time now but I just can't seem to get around to it.

Well how I'm going to close for tonight but will write you real soon again. Please take the best care of yourself and Aileen.

Love you sweetheart -

Always Faithful
To You Mrs. Alvin E.
Love,
Al

Always Yours,
Hubby Alvin
