Dearest,

Well here I am again. Nothing interesting to write about, only to say hello and that all is well thus far. Pray that this letter finds each and everyone in the best of health.

Didn't do anything to day except I read a little and took a nice nap this afternoon. Went to see the doc. this morning about my finger and got disgusted and came back. I waited from 9 AM till about 11. Guess I'll go back in the morning again.

Well we have been here a week now and it really isn't so bad. A few details once in awhile but outside of that we take things darn easy. I'll guess we will start doing something in the

near future.

Well rumors are starting to fly again but I'm not going to believe anything until I see it in black & white.

The rumors are that us fellas with low points will be reassigned to some other units around here in Italy. All the fellas with enough points will be going back to the States. Well rumors are just rumors and it is bad to believe any of it.

Darling do you still love me with all your big lovely heart? Sure I hope you do cause I love you and miss you with all my heart. I sometimes think it isn't any good for me to say it because I doubt if you do believe me and you know the reason why just as good as myself.

2/ How has Mae come out to visit you yet? Was she able to get Aileen a tricycle? I really am hoping that she was able to find Aileen a ~~big~~ tricycle. Gee how I had my heart set on it. Gee Aileen really must be very cute now and it will soon be a year since I last seen her. I really do miss and love her very very much my dear.

Well I am well caught up with my letter writing. I still owe Grady a letter so I guess I'll write her one in the next few days. The only trouble is that I'm so darn lazy these days that I just don't feel like writing to anyone else but you. It sure is funny how I feel like writing to you even if there isn't anything

to write about. No matter how angry I get at you at times I can't help but give in cause I really do love you. I may write things that would hurt you cause I'm not feeling any to well so I can't blame you for getting sore at me.

Went to see a U.S.O. show tonight. It was a short show but it wasn't any to bad. They had a couple of cute numbers in the cast and I had the privilege to talk to one of them. It was the second time since I've been overseas that I had a chance like that.

See how all I'm hearing tonight is rumors after rumors and it really does get on ones nerves. I wish they would tell us what the score would be and get everything over with.

3/ Well how I'm hoping and  
praying that I'll be able to  
see you and Aileen soon.  
Sure wish that I had enough  
points to get out but that  
I know will be a long time.

Dearest I am going to close  
for tonight but will write  
you soon again. Please take  
the best care of yourself and  
Aileen. Write soon and often  
how. I think of me always.  
Good night how.

Love you sweetheart.

Always Faithful  
to you Mrs. Alvin E.  
Love,  
D. Al

Always Yours,  
Hubby Alvin
