19 July 1945

Darling,

Thanks a million for your very charming letter I received from you this evening. It sure does me good to hear from you my dear.

Oh how I'm sorry to hear that you haven't been feeling so good my dear. Please tell me what is troubling you. Could it be me hon.??

Sure am glad to hear that Rae is coming to visit you. She wrote and told me that she was going to visit you and I knew she would come sooner or later.

How I doubt if I know Harry Danouge but if I see him I'd probably know. How you don't have to worry about me going to the Pacific.

How the army furnish us
with a cap but I just
wanted one with an Infantry
brade. Well I'm sorry I asked
you or anyone for it. Well
anyhow how I'm going to write
Grady and tell her to forget
all about it.

Good to hear that Wayne is
okay. I know how much Frank
misses his family and how
lonesome he is. I hope that
Frank will get well real
soon cause he has been laid
up a long time.

So Dick isn't getting along
any to well with his wife
eh? Dick always has been
a funny guy but I haven't
got any right saying anything
about his married life nor
anything. I haven't treated
you any to good and you may
dvoorce me soon day or
something.

2/
Oh its sure is good to hear
that Jack and Tom are still
alive. I can remember we all
came in the army just about
the same time. Wish them
all the luck in the world.

Sue really must be feeling
pretty darn bad. Tom really
was a swell guy. I really
liked him a lot and I
really do feel sorry for Sue
too. How will you kindly
send me her address cause
I would like to write to her.
It really must be tough with
Tom and the little girl passing
away. I know just how she
must feel and its really
in a shame that such a
thing had to happen. Its really
in hard to believe a thing
like that could happen to Sue.

I really would like to watch
our little dileen running a race.
She she sure must look sweet.
Well you isn't the only one dark
cause I'm getting that way my-
self. Well it's good to get that
way. The weather out there
must be as hot as here.
This heat is really getting
the best of me.

How have you received the
money I sent you? If so how
long did it take? I am
going to try my darrest to
send you eighty dollars about
the first of of the month if I
am here to get paid. How
I know that I owe you a lot
of money so I'll try my best
to return it all while I'm over
here or rather before I return
back to civilian life again.
I guess I do owe you a great
deal. That R.C. really did cause
me a lot of damage it seems.

3

Well how I am going to
love you tonight and will
write you soon. Please write
soon dear.

Please take the best of care
of yourself and Aileen. Be Good.
God bless darling.

Love you sweet heart.

Always Faithful Always Yours,
To You Mrs. Alvin E. Hubby Alvin
Love,
al
