Darling,

Well how here I am again. I haven't got anything much to say except that I really don't feel like myself. So say or rather this afternoon was the first time that I had some hard liquor to drink outside of beer. Please don't hold it against me how because it seems that everything has gotten the best of me around here. I can't write in words what this has done to me how. How please write me and tell me how much you love me and how much I mean to you and so forth. You and your letters can only cheer me up my dear. How I think and love you more than you think I do. I am yours and yours alone my love. I really and

truthfully am faithful to you
how wether you believe it or
not. Darling I want you so
more than you'll ever know.

Tomorrow I'll go on duty and
may not get a chance to write
you but how I'll write you
every chance I get. my job
will be guard duty and
chasing P.W.'s. It won't be
hard but I just hate it.

See how I would give every-
thing (if I had it) just to be
back with you and Aileen.

Aileen really does look plenty
dark in her latest photo's and
you are looking lovelier than
ever my dear. How I bought
a kodak the other day and
if I can take some nice pic-
tures I'll send them to you.
Sure hope that I know how
to take pictures my dear.

2/
Now either tomorrow or the day
after I'm going to send you \$50.00.
I would like to send you more
but I haven't got paid as yet
and it may be next month
before I'll get paid. Sure
wish that I could send you
the \$80.00 I promised you.

Well now am going to close for
tonight but will write you
real soon again. Please take
the best care of yourself and
Aileen.

Love you sweetheart.

Always Faithful
To You Mrs. Alvin P.
Love
Al.

Always Yours,
Habby Alvin.
