Darling,

I thought I'd write just to let you know that I'm still alive and so forth. Didn't ^{do} anything to ^{do} except just lying doing nothing. And I really am going to the rocks and I don't like it. This new place really has gotten the best of me and I sure wish that I were somewhere else.

How are you now?
How's our daughter these days? Bet she is sure getting to be a big little girl eh.

See how I really
shouldn't write to you
when I feel this way
cause it may worry
you or something.

Darling I went to the
office to see if I can
send you some money
but I have to write
out a certificate or
something cause I didn't
get paid this month.
Since the war over
here has ended things
are getting harder all
the time. Well anyway
how it maybe a
little time before you'll
get the money but you
will.

How I am going to
be for now cause
I just don't feel right.

Dearest I love and miss
you and Aileen with
all my heart. Please
take the best care of
yourself and Aileen.

Please write me soon.
Good night hon.

Love you sweetheart.

Always Faithful
to you Mrs. Alvin C.
Love
Al

Always Yours,
Hubby Alvin
