

11 August 45

Darling,

Pray that this finds you and Aileen in the best of health. As for myself I still have a slight cold.

Sorry I didn't write you yesterday but I was on guard. However now I'll try my best to write you as often as possible.

See how last night I couldn't go to sleep cause my thoughts were of you and I just couldn't get rid of it. It kept me awake until I had to go on guard until at 3 A.M. this morning. All my thoughts were pleasant ones of you Aileen and so forth. See how I really do love and miss

you both more than you
will ever think I do.

Honey you are really the tops
and you will always be
with me. How to me you
seem to be getting lovelier
as ^{the} years goes by. Maybe
you are thinking that I am
just saying this and that
to make you feel good
but you are all wrong. I
really mean every word of
it my dear. I long for
your lovely lips how and
having you near me. How
if you should ever cease
to care for me I'll never
be myself again. I am
yours and only yours my
love and I'll always
will be as long as you
care for me alone.

2/ Darling how is our little
girl these days? Tell her
that she had better be a
nice little girl or daddy
won't like her. Gee I sure
did miss out on all the
fun I would of had with
you and Aileen all these
past years. It really does
get me down cause I had
to be away from you both.
So me how all these years
have been wasted it seems.

Well how there is a lot
of excitement around here
because the war is over
all over. I wonder how
true that is? Well I should
find out real soon for
sure. Gee how I wish that
we will be able to
come home real soon cause

I miss you both with
all my heart.

Well I've still got a few
more beer tickets so I
guess I'll finish them
up before I go to bed
tonight. Now you'll have to
look after me when I
get home cause I'm getting
to be quite a beer drinker
even though I can only
drink a few bottles a
night. Well any how
I don't think you'll have
to worry about me cause
I've learned a lot in
the past few years. I
hope that I'll be a good
husband to you when I come
home my dear.

3/ Well how I am going
to close for tonight but
will write you soon
again. Please write me
soon my dear.

Please take the best
care of yourself and Aileen.
Good night darling.
Love you sweetheart.

Always Faithful
to You Mrs. Abner
Love,
always yours,
Nabby Abner
