Darling,

How are you my dear? How is our little girl? How long I haven't received any letter from you for the past few days and it really has me worried. If there is anything wrong I wish you would tell me so. Darling at times like this is when you get me to start thinking about things I don't like to and so forth. Besides you had your tonsils taken out and you might not be feeling good or something. I know that my letters do get you down some but I don't think they all can't be that bad.

any hoop how I pray
and hope that I'll hear
from you real soon.

Haven't been doing any-
thing much and I
don't know when we
are going to move. We
were going to move
or rather was ~~suppose~~^{suppose}
to stay here only a
few days but Sundays
was exactly a week. I
guess they can't find
any work for us and
I hope that they'll send
us home. all I hear
around here is nothing
but rumors after rumors
and they sure are flying
around.

2/ Well how I hardly know anybody in this company as yet and the way I feel I don't care too. It seems that most of the fellas are regular guys but one never can tell.

The weather out here is really something. It rains a little then sunshine and so forth and so on. The climate is warm but it does get kinda chilly in the mornings.

The shower facilities is terrible and they take us in the evenings to town here and use the bath house for our bathing. It cost us

about 25 cent or rather
25 lire each time we
go.

Well since I came into
this company I've read
a few books which
were very interesting. I've
got to try and find a
few more good ones to
read cause it is a good
past time when we
aren't doing anything.

Had a chance to go see
a couple of U. S. O. Shows
lately but I didn't go
cause they aren't any
good. I miss the Andrew
Sisters show and the
fellas ~~you~~ who see it
claim that it wasn't
any to good. Besides I don't
care for any of them shows.

3/
Darling I guess I've
taken up enough of your
valuable time so I'd
guess I'd ^{better} close for tonight.
Please take the best
care of yourself and Aileen
my dear. Will write you
soon again. Please write
soon hon. Your letters
mean so much hon.
Good night.
Love you sweet heart.

always yours,
Habby Abbie
