

14 August 45

Darling,

Thanks ever so much for your much welcomed letter. It really does me some good to hear from you. I was getting kinda worried about you. Well, any how how I hope that I will hear from you a little sooner than I did this last time. Honestly I almost gave up hope my dear.

Sorry to hear that you have the blues my dear. Don't worry any to much dear cause I'll get along alright. I've been in the Army a long time and I've managed to get along besides it won't be long before I'll be home with you and Aileen.

Darling I've met two from the home town but I don't forgot their names. The only one I know is Yoboi and Fujimoto who were at Skidaw with me.

Well any how how I hardly do know anyone in this company except a few friends I've made since I came here. Our Co. is now in Pistoria but we are moving again.

2/ Tomorrow we are moving to  
Ft. Horn to guard the Supply  
Depots. The 2nd. Bn. is out  
there now. Archie is in the  
2nd. Bn. and I am in the  
3rd Bn. I guess I'll get  
to see him more often when  
we move out towards his  
way. Up till now we have  
been living in buildings  
and when we move I  
guess we will live in  
tents again.

See how you really do  
write such sweet and  
interesting letters. I wish  
I could write the way  
you can my dear. Well  
I hope some day I'll no longer  
have to write and tell you  
things cause I'll be able  
to say them in person.

See how I haven't received  
a package for so long  
that I forgot if you did  
send me one awhile back.  
I remember I wrote and  
thanked you for "package"  
but if I didn't I'm sorry.  
It really is thoughtful  
of you wanting to send  
me things dear but  
I really don't need any-  
thing. Better save to money  
and get yourself and a few  
something with it my dear.

3/ How it really is good  
to hear that you are  
going swimming cause it  
really is good for you.  
I went once and believe  
me I sure did get sun-  
burned. I can imagine  
Aileen does enjoy the  
water. Gee I wish I  
could be there to watch  
her. It really is a shame  
that I don't know how  
to swim cause I would  
love to teach her. Well  
I am going to learn some  
day and we all can have  
some fun together.

Gee how I wish Aileen  
would look more like you  
cause you are so sweet.  
To me I know you both are  
sweet and beautiful and  
always will be that way.  
Is Aileen is stubbornish?  
I wonder who she can  
take after. I know that  
I can be stubborn at  
times but I doubt if his  
any too bad. I know at  
times you can get that  
way yourself so that part  
she gets from the both  
of us. Darling you had  
better tell Aileen to be  
good cause daddy is going  
to be coming home soon!

4/  
these days. I really  
don't know whether I  
can handle her but  
after a bit I may be  
able to.

No darling you have  
never mentioned Mr. Kimura  
until this letter. It  
really is swell of him to  
do all those things  
for Aileen. Please give  
him my best regards.

Gu Gu I sure have  
some packing to do again.  
This moving around  
really does get tiresome  
and I really do hate  
it. Well anyhow I've got  
to pack some time tonight  
cause we are going to  
leave in the morning.  
I've still got a lot of  
junk and I guess one  
of these days I'll have  
to throw some of them away.  
Sure wished I felt I were  
coming home then I'd  
throw everything away except  
a couple of shirts to wear.

Gu Gu I hope that you  
are able to read this  
writing of mine. I should  
of used my other pen for  
this but I like this pen  
better.

5/ Darling I guess I'd better close for now cause his taking up a lot of your valuable time. Now I will write you soon again. Please write soon dear.

Please take the best care of yourself and Aileen. Be good darling cause you really do mean a lot to me.

Good night darling and please think of me often. Love you sweetheart.

Always Faithful  
To you &  
Mrs. Alvin  
Love,  
Aly

Always yours,  
Hubby Alvin
