

21 August 45-
1020 (A.M.)

Darling,

How care you my love?
How is our little Aileen?
Pray that this letter
finds you both in the
best of health and every
thing my dear.

Since I just came off
of guard again I thought
I'd write to you while
I have the chance. I'll
go on duty again at
1400 hrs. (2 P.M.) and get off
at 1600 hrs (4 P.M.). I'll be on
post again 2000 (8 P.M.) until
2200 (10 P.M.). I'll be on from 0200
(2 A.M.) until 0400 (4 A.M.), then
from 0800 (8 A.M.) until 1000 (10 A.M.)
and that will keep up
for three days and we
will be off 1 whole day
which we can catch up
on our sleep on. Well
how I know that I myself
am getting a raw deal
but please don't worry
cause I'll stick it out.

Darling I sure hope that
you are getting all my
letters okay. Incidentally
how the second to last
letter I got from you was
written on July 22 and
the latest or the last one

2/ was written on August
11th. How did you write
any letters to me between
those date? I really
would like to know cause
if you have them, I should
of gotten them by now.
How if you didn't write
I would like a little
explanation or something
right away. Please don't
fail to write and tell
me because I'm going to
be waiting for your answer.
How no matter be hat
the reason maybe I
want the truth. I've got
my own ideas but I
want to hear your own
excuse. It doesn't make
any difference to me how
if you just don't care to
write for a while only let
me know in advance
so I don't have to worry
any to much. It seems
to me that your love for
me is dying ~~but I~~
I can't say that I
blame you how but
if that is the case I
wish you would tell
me. How I really must
be getting on your nerves
writing to you but
excuse it cause I've just

3/ got to write to you
for some reason or
another. Even if I
haven't got anything to
write about I still
have to write. I know
most of my letters are
very uninteresting but
you will have to
excuse that too.

Well-hon I am going
to close for now and
please write soon.

Take the best care of
yourself and Aileen.
Love you sweetheart.

Always Faithful always yours,
Mrs. You Hubby Alvin
Aileen E.
Love,
A

I have to write to you
 about the business of
 the bank of England
 and the state of the
 market. I have
 some of my letters
 very interesting but
 you will have to
 excuse them.

Well then I am going
 to see you and shall
 please write soon
 with the best love of
 yourself and children
 Love you ever
 affectionately

Yours affectionately
