

22 August 45

Darling,
Thanks from the bottom
of my heart for your ever
so sweet letter my dear. Now
you just don't worry about
Alvin E. taking good care of your
heart. I'll take the best care
of it and guard it with
my heart darling. I love
and miss you with all
my lonely heart.

Darling please don't worry
about me being down hearted
cause your letters does make
the world of difference. I'm
getting use to being with
the 442 and I know a few
pretty regular fellas. I miss
the ole co. I've been in but
darling don't you worry any
cause I'm doing alright.

Darling you just tell
our little girl that daddy
will be home soon. I
believe that we will be
home before Feb. cause the
war in the Pacific has
ended. So our little girl
would like mommie to
bring her a baby eh? Well
maybe some day we can
fullfill her wish some
day. Don't you? Well how I
am going to save up all
I can so that we can
afford to fill her wish
dear. Our little girl sure
does put in big orders
doesn't she? Sure am
happy to hear that Aileen
loves babies cause than
you may agree to have
one when I ~~am~~ come home.
Gee how wouldn't twins

2/ be nice but I'll be
happy with just the
thought of having another.

Well this time when we
have a child how I'll be
with you. I can watch
and help you along which
I missed out on Aileen.
Yes dear things are going
to be different than it
has been in the past.

Darling I had a dream
last night that I was with
you and Aileen. Gee how
the dream was really nice.
The dream wasn't last night
but this afternoon. Gee
sure wish that it could
of been true how and
I guess it will come
true before long.

Glad to hear that you
are getting your teeth fixed
hon. It need a little work
on mine but I'm going
to wait until I get back
to the States.

Well it has rained off
on on around here. It
looks as though it isn't
going to rain tonight
so it is okay. Yes dear
I hope that it does rain
the first night we are
together. Wonder if I'll
get any sleep the first
night hon? Well that
remains to be seen.

Yes hon Tunni is from
Drentwood. I just had
a short talk with
him and I haven't seen
him since. His Co. is
a few miles from here.

3/ yrs honey your letters
does seem to take a long
time in getting here. I'm
happy to know that
you are getting my letters
abright. Darling wish
you would write me as
often as you can or are
able. As I have told
you before your letters
does mean an awful
lot to me way out here
in Italy hon.

Darling I may have a
camera but I haven't
taken any pictures as
yet. Now the they have
changed our guard schedule
again we won't get any
days off. They sure can
change the schedule around

here.

2^d living condition up till now has been okay. 2^d his living in tents isn't any to good but it isn't as bad as when I first came overseas. We have no lights in our tents except candles. maybe some day we will have lights if we stay here long enough.

Gu Charles is sure lucky to be back from the Pacific cause they need men like him over there now. yes I can imagine how happy his folks must be about his return. maybe he will ask you to marry him again soon.

4/ Well hon I guess I'd
better close before I'll
have to go on guard.
I'll need some rest cause
this is going to be
rough especially this
time off of night.

Darling please write
me soon again. I'll write
you soon. Please take
the best care of yourself
and Aileen. Be good hon
cause I'll be home soon
too. Good night darling.
Love you sweetheart.

Always Yours,
Hatty Alvin

Always Faithful
To You
Mrs. Alvin E.
Jones
