Darling Wife,

His letter is for the one you wrote on the 26th of July. As I have told you before I am going to answer all your letters one by one in the next few days.

Darling I am glad that your tonsils are okay now. I know how you felt for several ~~some~~ days afterwards cause I had mine taken out long ago and I know how it feels.

yes darling if we only knew about the pink system eh? Well I must of had a hunch cause I wanted a child. Remember how?

Well darling don't worry
about a playmate for
Aileen cause we are going
to have one in the near
future. Don't worry about
me cause I really have
my heart set on another
child now.

Darling I didn't even
try for the little star.
The way I see things it
really won't make much
difference. Yes George has
really been fortunate.
I wish I could be
lucky as he but in
many ways now I am
luckier than all them
fellas. (1) I have you
for my wife. (2) Aileen is
a little girl that can't be

2/ beat so don't you think
I'm very fortunate too!
Well I think so anyway.
yes dear I can see
when I was wrong so
will you please forgive
me. This mail situation
sure got me in dutch
with you every once in
a while how and I assure
you that I'll never
mention those things again.
Darling I really am happy
to know that you really
love me. Darling I really
feel terrible for those
awful letters I sent you.
I love you so very much
hon. I am being faithful
and true to you. It really
is hard to believe it but

it is the truth my
dear.

Darling thanks for
getting me the cigarettes.
It really is thoughtful
of you my dear cause
I didn't even ask you
for them.

Darling I get a pack
of gum every once in a
while. The next time I
get any of them good ones
I'll send them to you.

Don't worry about your
ring my dear. When I
come home you pick
the one you want and
I'll pay for it providing
it don't cost any too
much. How you deserve
the best and I am sorry

3/ that I can't get you the
best of everything. Well
how I can assure you
that you'll get a good
ring my dear.

Well how I am going to
close for now cause I've
got to go on guard again.
Darling I'll write you real
soon again. Please write
soon my dear. Please take
the best care of yourself
and Aileen.

Love you sweetheart.

Always Yours,
Hobby Alvin
