Darling,

Pray that this letter finds you and Aileen in the best of health my dear.

This letter is for your letter written on the 6<sup>th</sup> Aug. hon. Dearest I hope that I am not getting on your nerves for writing so much dear.

Darling I guess you won't be the only one who feels the way you do. I really am going to have some time getting use to civilian work again. This Army has ruined me and many others dear. It is simply because we have been in the service a little too long. Well how you won't have to worry about working on a farm. How

Darling what would you like to do when the camp closes? Darling I wish that I could be home before the camp does close but that is impossible. Darling whatever you should decide to do I'll help you all I can hon. If you should go to where my folks are I don't want you to do any hard work or even go out in the field. I would rather have you find a place for yourself and Aileen and wait till I come back to the state my dear. Well hon I guess I'll have to leave it up to you again cause I can't do anything worthwhile from here.

21 How this has been the first time you have mentioned about Aileen going to Sunday school. How does she like it hon.? I bet she sure gets a kick out of it eh.? Gee hon I hope that I won't let Aileen down when I come home hon. Bet she sure is hard to bargain with no doubt.

Darling I've been thinking about a little home of our own lately my dear. I should of started saving earlier but I guess it won't be any too late from now. Hon I ~~am~~ going to send you all I can each month hon. I know it isn't much but

I guess every little bit  
will help eh. Please  
forgive cause I couldn't  
send you any money last  
month or rather 1<sup>st</sup> of  
this month. All we are  
allowed to send now is  
just what we get paid  
for and no more. I'll get  
paid for two months this  
pay day so I'll send you  
all I can for. Oh how  
I really do pray that  
we will have a bright  
and happy future my  
dear.

Dearest I love you so very  
much. I need you for  
and I want you to love  
me like or rather with  
all your heart dear. How  
please love me always and forever.

3/ You know it really would  
be wonderful if we can  
have a little home of  
our own real soon. I guess  
in a few more years  
we can built one if I  
get out of the Army and  
get myself a good job.  
Well how I am going to  
do all I can to make our  
dream come true.

Darling I am going to  
close for now but I will  
write you soon again.  
Please write me soon how.  
Love you sweetheart.

Always Yours,  
Hubby Alvin

Always Faithful

To You
