

30 August 45

Darling,

How are you Mrs. Alvin &?
How is little Miss Uchiyama
these days? Hope that
she is behaving herself.
Darling I hope that all
are well with you
and Aileen.

It is rather warm this
afternoon and I can't
sleep. I wish that
it would get cool soon.
I guess in another month
or so it will get so
damn cold around here
that I'd wish it would
get warm like this.
Oh well that is life
I guess always complaining
about some thing.

Had some nice ice
cream this afternoon.
I was guarding a
place where they
make ice cream and
the Capt. there gave
me a whole cup
full. He told me if
that wasn't enough
than help myself to
more. That cup full
was more than
enough cause it
really filled me up.

4 Well how I am hearing
all kinds of rumour
again as to when
we will come home.
The best way to look
at it is that we
will be home within
the next six months.
I believe myself that
I won't be out of the
Army until next July
and I pray that I
am wrong. I guess
all the Hellas with
80 points and more
will be out in the
next three months but
one never can tell.
But it is certain that
they won't be any 80
pointers left by the end
of November. According to
that I won't be out
until July or thereabouts.
Well anyhow how the
most important thing
is that I hope that
we will all be in
the States soon. Gee
how it really was a
shame that I had
to spend the best
years of my life in
the Army. Well anyhow
how they can't keep me
in forever.

Darling I kinda expected
to get a letter from
you to-day but no luck.
I may get one later
to-night but I doubt it.
How I hope that you
are getting all my
letters okay. I guess
the mail system out
here is all haywire
and that is the reason
why I'm not getting
any letters from you.
However all the other
letters from friends
are getting here alright.

The fellows around here
think I am crazy for
writing every day. Yes
how they are right
cause I am just crazy
about you. Yes dear
I am madly in love
with you my love.

Darling I am going
to sleep for now and
will write you soon
again. Please take the
best care of yourself
and Aileen.

Love you sweetheart.

Always Faithful
To you
Mrs. Elvira E.

Always Yours,

I have just received your letter of the 10th and am glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present.
