1/  
Darling,

Well here is your hubby again how. I thought I'd answer your letter mailed on the 24<sup>th</sup> Aug. For some reason or another I can't seem to sleep to nite. I'll have to go on guard at mid. nite again. I've tried to go to sleep but some how I can't fall asleep.

Darling it really must get you down when Bever Aileen acts up that way. I guess she is spoiled a lot cause everyone has been kind and easy with her. Can't say what I blame everyone cause she is so darn cute. I guess I really would spoil her if I were home. I sometimes wonder what I really would do how. Well any loop we will soon find out my dear. When we have our next child I will be home to give you a hand

2/  
my dear. I wonder  
if our next one would  
come soon or wot?

Now I really do believe  
that the G-mail situation  
out here is all screwed  
up or something. When  
I use to be in the  
1st. Regt. Depot. all your  
letters came pretty fair.  
Since I came to G. Co.  
it has been getting  
here in bunches or  
something I won't get  
any of your letters and  
all of a sudden I'll  
get 3 and 5 at a time  
than I won't hear from  
you for an while and  
I get a few more. I am  
sorry I jumped you  
for not writing to me  
my dear.

Dearest I am sorry  
that I let my mind  
go astray like that.  
I assure you that I  
will try but to let  
it happen again. I  
really love to hear  
you say that. I am  
the only one for you  
my dear. It makes me  
very happy just hear  
you tell me that you

3/ love and miss me  
with all your heart.  
How I love you so much  
that it really gets the  
best of me being away  
from you. I guess one  
never does realize how  
much one can love  
a person so much until  
he is far away like  
this. Darling I guess  
many a times you  
think that I am  
saying all those good  
things to make you  
feel good or something.  
Well you are wrong that.  
I may not have treated  
so very good in the  
past but the future  
is surely going to be  
very good about. We really  
are going to be one  
happy family when I  
come home my dear.

Darling please don't  
worry about me in  
this new outfit cause  
I am getting along fine.  
Many of the fellows I  
got to know really  
does like me cause  
they have proven that  
to me already. I only  
know a few but we

4  
all get along okay. I  
also have a few friends  
in Co. F and we also  
get along okay.

Harling please don't  
let rumors upset you  
like that. As far as  
I know the 442 is going  
to stay here till Feb.  
Besides by that time  
they will lower the  
points low enough for  
me to get out. Well  
how since we all get  
8 more points since VD  
day I'll have 67  
points. In another 3  
~~more~~ months they  
will lower it to 75  
and then to 70 points  
so I figured that I'll  
be out in another  
six more long months  
my dear. I'll be out  
for good and will  
be home with you  
and Aileen. Harling  
please stop reading  
and listening to rumors  
cause I myself will  
let you know what  
we are going to do  
next and so forth.  
Besides before they send  
us to Japan they will

5/  
send us to the States.  
Darling please don't worry  
about anything. Promise  
me.

Darling I am going to  
close for tonight. Still  
have two more of your  
letters to answer so I'll  
do it tomorrow. You  
please write me real  
soon again for I am  
always waiting to hear  
from you ~~my~~ dear.  
Please take the best  
care of yourself and  
children. Be good now.  
Love you sweetheart  
Good night darling.  
Love and think of  
me always.

Always yours,  
Hubby Alvin

Always Faithful  
To You  
Mrs. Alvin E.  
Love,  
A
