Darling,

My lovely lady, here is your hubby again. Finished having supper so I thought I'd answer your lovely letter mailed on the 26th of Aug.

Darling please promise me that you won't pay any attention to those things you read and hear my dear. Please don't worry about anything cause as I have said before I'll let you know all about those things myself. Darling in this letter I am ~~so~~ enclosing an article taken out of to-days Stars and Stripes which is our paper over here. I hope that this will cheer you up a little and give you some new hopes my dear. How even if that

isn't so I'll be home for sure
within the next six months.
So honey please promise me
that you won't worry anymore.

Darling all your letters are
getting here alright. The only
thing is that it takes some
time to get to me. I see
that you are getting all my
letters okay. Now there may be
times when I won't write for
a few days but please don't
worry. I'll write you every
chance I get my dear.

Darling I'll have my picture
taken the next chance I get
but as I have told you once
before this guard duty is
keeping us well occupied. I
thought we may get a day
off once in awhile but since
some of the fellows went
to school we have to pull
guard every day. See how I

4
hope that I can send one to
you for your birthday.

Sure am glad to know
that Romano has sent you
the money my dear. He really
is a swell fella and he
hated to go home cause he
is to go to the Pacific. Since
the war is now over I hope
that he doesn't have to go.

Darling since I wrote and
told you about the money I
guess I don't have to tell
you again.

Since we have come here
we haven't had time to play
any checkers. Darling I don't
have to show you how to play
cause you can beat me any-
way. I am not a checker play-
er myself but it sure is a
nice past time.

Darling it sure seems that
our little girl wants a lot
of. Well how I hope that I
can save up enough so that
I can make her wish come
true. I have been thinking
an awful lot of those things
but if we can afford it
than it would be okay other-
wise Aileen will have a
little wait for her wishes.
Honey tell Aileen that if
she will be a very nice
girl than daddy will do
all he can to make her
wishes come true.

yes darling it really is
a shame about all those
people. V. D. is awful easy
to get out here and much
as they warn the boys
thier is always some one get-
ting it. Darling I have you
and only you to thank cause
I have a lot of respect for
you my dear. I may not be

3/
been a good husband but that is
one thing I can say, I've been
true to you and always will be.
I know that you are waiting for
me and am being the same
way.

Well how I am going to
close for now and will write
you soon again. Please write
me soon dear. I love you
and miss you with all my
heart. Please take the best
care of yourself and Aileen.
Be good darling.

Love you sweet heart.

Always Yours,
Hubby Alvin

Always Faithful

To You
