Darling,

It will be a couple of hours yet before I go on guard again so I thought I drop you a few lines. Well how does far all is well out here and I pray that it is the same with you folks.

Wrote a few letters ~~and~~ <sup>earlier</sup> to-day and I couldn't think of anything to write. How I know that my letters aren't interesting but you'll have to excuse it cause I am not a writer.

Archie came back from his trip and he came over to see me. I happen to be on guard and he could not stay long so we just had a short powwow.

Yes but it sure did rain  
out here last night. It  
was a lucky thing that  
I wasn't on post cause I  
would of gotten soaked.  
When I went on post this  
morning it was nice and  
clear but kinda chilly.  
2<sup>o</sup>-day was rather a warm  
day again. I hope the  
weather out your way is  
nice dear.

Darling I love and miss  
you and Aileen with all  
my heart. I pray that  
I'll be home soon so that  
we all can be happy  
again. Darling I really  
need your loving and  
long for your lovely warm  
lips. You are my one and  
only love and you'll always  
will be. Yes love you  
and Aileen are my two  
best girls.

Gee how wouldn't it be  
 swell if I can be home for  
 Christmas. It sure is a wonder-  
 ful dream my dear but  
 some how I feel that I'll be  
 home by then. Oh well  
 Feb. won't be very far  
 after Christmas so I really  
 don't feel any to bad. I  
 guess there will be a lot  
 of fellas leaving here soon  
 cause they have eighty  
 points and over. Someday  
 they will lower the point  
 to sixty-five and that is  
 when I'll get out my dear.  
 Get <sup>out</sup> ~~of~~ the army for good  
 and be with you and  
 Aileen always how.

Took a nice cold shower  
 this afternoon and I feel  
 real clean and good.

We have a small shower room here but no hot water. I hear is a truck that takes the feller to showers each night just a little ways from here & the only thing is that by the time one comes back he will be just as dirty as when he left.

Darling how is Aileen behaving these days? She really must be spoiled cause she want everything her own way. I wonder who she got that from? Could it be the daddy? Well how she will grow out of it one of these days. Just tell her that when daddy comes home every thing is going to be a little different so she had better be a good little lady.

Darling I hope that all  
or rather the few gum  
I have sent you reached  
you okay. I guess we will  
get another peck or two  
this coming P.M. again and  
if I do I'll send them to you  
the same way.

Am going to close for now  
but will write you soon  
again. Take the best care of  
yourself and Aileen. Be good.  
Write soon my dear.

Love you sweetheart.

Always Yours,  
Hubby Alvin
