Darling,

Thanks for your much
welcomed letter written on
the 2nd of Sept. Sure nice
hearing from you darling.

Yes how the war is over
and I didn't do any cele-
brating. My celebrating day
will be when I get home
my dear cause only then
will I be real and complet-
ely happy. Yes how when I
come home it will be for
good and I can kiss
you and have you in
my arms whenever I
want my dear. May have
a good chance to be home
by Christmas but Feb. for
sure. Maybe we can celebrate
my birthday together Lon.

How my plans after I
come home is a \$64.⁰⁰
question. I don't know what
I am going to do but
it will have to be some-
thing. First how I just
want to get home and
home for good.

Darling I am glad to hear
that you have gotten a few
of my letters. Yes how I
have a great imagination
and it kills me at times.

Don't worry about the
mosquitos how. They will
leave enough of me for
you.

Well: Well: I guess I am
going to have quit a
job with our little girl
eh? You sure are giving
me a big job the first
thing I come home. Well how

I hope I won't let you down.
It really does me good to
hear The Aileen asks for
me once in a while. So
Yuri has a few daddies
eh? Well! Well! what do you
know!

How why don't you tell Aileen
to get new nails instead
of old rusty ones. Tell her
that daddy says so. Kids
will be kids and you
never can tell what she
may do next. Well anyhow
how you can have all the
fun again when we have
our next one if you want
any more. Yes I guess
Aileen is quite a problem
these days. Guess she will
grow up some day how and
tell her that I said she

had better eat and be good or I won't bring her anything when I come home.

Darling before you go back to San Jose why don't you go and visit Kae? Maybe you both can go back together. Kae wrote and told me that she would like for you to come to Denver. Then maybe she may go to San Jose with her. She mentioned that the folks wanted her home and she is thinking about it now.

She wrote that Walter was made a 2nd Lt. Boy I bet she is plenty happy and I can't blame her. She sent me a nice picture

of herself and she really
has grown to be a beautiful
woman.

Of course how all this is
entirely up to you and you
can decide what you
would like to do. Mae
will write you soon about
it as I thought I'd let you
know what I think.

Well how I am going to sign
off for now but will write
soon again. Take the best
care of yourself and Aileen.
Love you sweetheart.

Always Yours,
Hubby Alvin

Always Faithful
To You
