

1 Oct. 1945
Teghorn, Italy
1205 A.M.

Harling,

How are you my dear?
How is Aileen these days?
Bet she is giving you
plenty of hard time no
doubt. Gee how I sure do
love and miss you both
with all my heart.

Well how all the high
point men are still here.
I imagine they will be
leaving by the 10th or 12th
of Oct. I heard that they
are going home with
the 34th Div. and the 34th
Div. are going to sail from
here about the 15th of
this month. Maybe all the
fellas with 75 or more
points are going to leave
the same time. Well I

guess I'll have to wait
a few more months be-
cause I only have about
68 points. Gee how sure
I hope I can make it
home by Christmas. Well
any how how I'm not going
to worry about it cause
I'll be home one of these
days for sure.

It rained a little to-day
and it sure did get my
things wet in the tent.
The tent of mine has a
few holes around my
bunk and I happened
to be away just when it
rained the hardest. I'll
sure have to fix the holes
in the next few days
cause the rainy season
will soon be here.

Tomorrow is pay day and
what a day. I am going
to make out a money
order to you for about

2/ \$80.⁰⁰. I only can make out
\$50.⁰⁰ worth cause that is
what I get paid and I'll
have some one else make out
\$30.⁰⁰ worth for. How I am
going to have it made out
to Mt. View cause I don't
know how much longer
you are going to stay there.
I'll send it to you as soon
as I know that you are
leaving camp here. Darling
I hope that you have re-
ceived the \$75.⁰⁰ I sent
you last month. I hope
that you have received
the stockings I sent you
too. Gee how I hope that
the stockings are okay
and if they are I'll get
you a few more pairs. I
haven't gotten any for Trudy
but as soon as I find
out her home address I'll
get her a couple of pairs and

send them to her. Now
I guess I can send them
to you and you can send
them to her for me. Okay?

See I should get the
folks some thing for Xmas
but there isn't any thing
good here so please get
some thing nice for them
for me how.

For Aileen I guess I'll
wait till I get home
than I'll get her some
things she may want.
For you how I have a
little gift but I don't
want to mail it so when
I come home I'll give it
to you. I don't know wether
you will like it or not
but I got it anyway.

Well how I guess I'd
better close for I haven't
got any more paper to write
