Darling,

Hello sweetheart. How be you these cold days? How is our little daughter? Bet she is being a bad little girl. How pray that this letter finds you both in the best of health. As for myself I guess I'm catching a little cold my dear.

It was rather chilly when I got up an hour ago but now I've got our little stove red hot so it isn't so bad. Sure do hate to get up when the weather is cold like this. Well when duty calls one has to get up regardless of the time or weather.

Guess I'll go over and see Archie some time to-day and have him make out an money order for me.

I sure hope that I'll find
some time to go and see
Archie.

Well hon I just found out
that I now have 70 points.
It really did surprise me
cause all this time I only
thought I had 68 or 67
points. I still can't figure
out where I got the other
few points but it is okay
by me. Gee hon all the high
pointers are still here and
at the rate things are
going I guess it will be
about Feb. before I'll be
home. I really can't figure
it out hon cause there are
plenty of fellas with 85
points or more still in
units here. Well all I can
say is that I'll be home
some day and for good hon.

Darling do you still love me with all your heart? Gee how I've often wondered how our lives would of been to-day if we weren't married. You would of probably been married by now and had a few children. I would of either been dead or I might of been home. Cause I know that you would of never waited this long for me if we weren't married and maybe you would of. Funny how a guy can think of all the crazy things while he is away like this how. Well any hoop how you are my wife and I love and miss you with all my heart darling. You and Aileen means everything to me how. Well I haven't mailed you the stockings I have bought

the other day but I will
do so in a few days. It
should reach you in Mt.
View my dear. you will also
get the money I am ~~going~~^{going to}
mail you when you get
to Mt. View cause that is
where I am going to mail
them.

Darling I am hoping that
you have sent me the money
I asked you for. Wish you
would send me some more
in your other letters how
and please believe me when
I say that I'll return it
besides the \$50.00 a month I'll
send you out of my pay each
month. I am going to
send you \$100.00 this month
how. You should get it by
the time you get to Mt. View.
I really have my heart set
on my pass for Switzerland.

Darling I guess I have
written enough for so early
in the morning. I will
write you soon again. Please
write soon my dear cause
I am always waiting for
your letters.

Take the best care of
yourself and Aileen my dear.
Give my best regards to the
folks. Be good.

Love you sweetheart.

Always Yours,
Hubby Alvin

Always Faithful

2. You

Mrs. Alvin E.
