Darling,

How are you sweetheart  
and how do you find your  
new home? Pray that all  
is well with you and  
Aileen now.

Well how all the fellows  
above 78 or rather 77 points  
are leaving this Co next  
Monday or Tuesday. Well  
I hope they will soon  
lower it <sup>to 70</sup> so that I can  
be leaving here too. I  
guess I'll be going to  
the depot about the end  
of Nov. Archie has 72 points  
and I have 70 points  
so we should be leaving  
about the same time.

Sorry to let you down now  
but I haven't saved no  
\$300. I am just about  
broke again and I hope

that I'll have enough  
to last me until I  
get home cause I intend  
to send you no less than  
\$50 each month while I  
am here. Darling I do  
want another child  
but we will forget it  
for awhile cause we  
haven't got the money and  
we can't afford it.

I guess I've just started  
saving a little to late  
how and besides it  
will take some time  
to save the amount we  
agreed upon.

Darling I am afraid  
that I won't be able to  
get anything for mom  
and Alice but I won't  
make any promises. I  
will have to get Alice  
a little something from  
here and I guess I'd better

hurry cause I may come home sooner than I think.

Darling, I hope you have a very lovely birthday how I and P'll be thinking of you dear.

Tomorrow is Saturday again and I hope that we won't have any inspection. Gee imagine to day is Saturday already.

Honey I love and miss you and Aileen very much. I love everything about you how so please don't ever change. To me you and Aileen mean everything and I hope to be with you both for good real soon.

Received a letter from Frank and he seems to be doing alright. Sure

hope that he will get well soon.

See how I really am hoping and praying that I'll get home for Christmas.

Darling where are your folks going to? Sure am happy to know that you are leaving with them how. It really is a tough job packing and I hope that all is well.

Darling I hope that you have found things not to hard at home. See it really must be something if the folks are living in a barn.

Sure hope I can make you a happy little girl when I come home.

Well how I guess I'd better close for now cause I have to go out and check the guards. How I will write you soon again. Please write me soon. Take the best care of yourself and Aileen.

Be good.

Love you sweetheart.  
Best regards to all.

Always Yours,  
Habby Alvin

Always Faithful  
To You
