Darling,

Thanks ever so much for the two letters which I received to-day. One was written on the 23rd. and the other on the 25th. Sure makes me very happy to hear from you so often.

See how the pictures really did come out nice. Yviri looks so very sweet and every thing. How please send my folks or rather my mother a set of those pictures. I know that she will appreciate it very very much. Please send me another picture of her with her cake and looking at her fingers. I promised a

friend of mine that
I would give him one
and that was the picture
he chose. Dearest you
really do look lovely your-
self. I really am proud
of you both my dear.

Aep son I've caught up
on my sleep and sure
feel alright. Well as
for my bags I haven't
got them as yet but
will get them Monday
I hope. I had to go to
the baggage office here
and give them a dollar.
They told me that my
bags ~~was~~ are in Marysville
and that I owed a \$1.00.
Oh well as long as
I get the bags it's al-
right. Still am wearing
the same uniform. They
sure are really dirty son.

Dearest it really makes me awfully happy to know that I mean so much to you. I am happy to know that you did enjoy having me there with you. As I have said before I sure did enjoy myself. I really do miss you and Yuri with all my heart. Gee hon I thought Yuri might forget about me by this time but I was wrong. I am glad that she does feel the way she does and you won't let her forget me ever hon. I really do miss hearing her talk and everything. She really is cute and I'm going to do all I can to make you both happy forever. dearest. you

and Yuri means every-
thing to me my love.

See how you didn't have
to go through all that
trouble about Yuri's birth
certificate. You could of
taken the one you have
and had it a photo
copy of it made at
Highland Park City Hall.
I guess I should of told
you about it before eh?
Oh well as long as I
get it it'll be alright.

Well how I really don't
know why I'm not assigned
as yet but everything
in the Army & has
changed. From a place
like this everyone will
get assigned to a unit
in the state or overseas.
I can't explain it on
paper or writing but will

explain everything to you
when I see you the next
time.

Well how I can't say for
sure but I may go across
from here or may be sent
to some unit in the States.

Dearest come what may,
please don't worry any
to much. I'll take care
of myself and try not
to get hurt or anything.

Dearest please don't ever
worry cause I'll come
back to you some day
for good. Well anyhow
hm before I go I'll come
and see you and our
precious little daughter.

So Yuri would like
to have a brother eh?
I do kinda pray and
wish that our next
one would be a son but

like I always say, one never can tell. Boy or a girl how it would still make me happy. How my guess is that I don't know how. It may be on its way and may not. Well any hoop time will tell and we should find out soon eh?

Say darling, you had better catch up on your sleep. I know that you are always busy and etc but sleep is important so try and catch up on it. You'd better take an extra day off and get some rest.

I guess Yuri won't forget her merry-go-round ride eh? I can still picture her riding that one at Riverview Park.

3:30 p.m. now so will
write soon again. Please
take the best of care
of yourself and Yvri.
Love you sweetheart.

Always Yours,
Hubby Abbie.

I borrowed a pen to
write with. Really is
better than pencil.
