

Saturday (5 p.m.)
July 29, 1944

My Dearest Wife,

Here I am again and how's everything with you? Do pray that all is well for you. Can't say much for myself. Everything is same as usual and quiet.

Most of the fellows has gone to town as usual on weekends. Had a chance to go but didn't feel like it. Getting old I guess.

Sure am glad to hear that you are getting my letters alright. Yes my letters are all the same, nothing new but it's just that I've got to write to you my ~~love~~ love. Hope you won't ever get tired of it.

my sweet. The only trouble
is that it takes so long.
See how it really is nice
hearing from you so often.
Please keep on writing
how even if you can't
think of anything to
write.

Dearest I pray that
you'll get your allotment
soon. I don't know if
you'll get it for last
month but I know for
sure you will for this
month cause they are
going to take the usual
amount for the allotment
out of my pay. I can
let you know sometime
next week if your going
to get the allotment for
last month. Sure hope
that you will how. Please
don't worry about the allot-
ment cause you will

get it soon.

Well how after reading your letter written on the 25th I hope and pray that it hasn't happened as yet. (You know what I mean.) Yes how I really have mess things up and I'll save every cent I can from now on. I promise you how that things will be different. Yes it sure is tough and hard being broke and I know that it isn't any fun. Gee how I can't help but feel that some how you won't feel any to happy if the child is on its way. Yes how for your sake I pray and hope that it hasn't happened as yet. Please forgive me

how cause I wanted
another child so bad.

How you will let me
know as soon as you
find out won't you?

See how if I didn't get
into all that trouble
things would of been
so different. I really do
feel bad how about
the past. I know that
from now on things will
be a lot different.

How I asked you to sent
me a few dollars the
other day. Just forget
that I've asked you cause
I'll get paid Monday.
If you have sent it to
me already I'll send
it back to you. I'll
get my ration money
Wednesday and it's
about \$6.70. I was plann-
ing to send you some

money from my pay but
I'm going to keep it just
in case I do get a furlough.

I guess all the kids
are the same with toys.

Yuri plays with them
just the way I use to
cause I never did hang
on to one toy for long.

I'd play with it for a while
and then get tired of it
and play with something
else. Oh well I pray
that I can find her
something real nice one
of these days.

Darling I've enjoyed
helping mommie with
the dishes. I've enjoyed
mommies cooking more
than anything except
her love and her kisses.

I really do miss you
sweetheart. I'll always

love you my love and
never ever will get
tired of you. I want
you always to love me
my dear.

Well how we will know
real soon whether we'll
have another child or
not. Please let me
know cause I am anxious
to know about it. I
do pray now that it
hasn't happened how.

Yes I guess money means
everything and if it
hasn't happened already
will wait till we
have save enough. I
was very wrong in think-
ing the way I have.
I thought that in the
time that it takes
for the child to form
and everything that we
could of saved enough

but it was very wrong
of me thinking that way.
Well let's hope for the
best my love. Darling
whether we have another
child or not I think it
would be best to get
Yuri another bed. Don't
you? Well how if it hasn't
happened already, the baby
I mean, you will let me
know and I'll send you
the money for a new
bed rather than saving
my money for a furlough.
~~Well~~ We will wait for
awhile until you think
we have saved enough
and want another child.
That is if his not over-
seas by then. I can
assure that I'll save all
I can my love.

Thanks ever so much
for sending me those
addresses hon. I'll write
to them as soon as I
get a chance. It's more
important for me to
write to you but if I do
have any time I'll write
them.

Gu Seiji is sure a
lucky guy for getting
the job he did. That
is the kind I want.
Jo Ann is really lucky
and the next time you
write to them please
send my best regards.

Glad to hear that you
heard from Judy. What
she said is true and
everything. Wonder if we
should tell her every-
thing hon? What do you
think?

Trudy is really fortunate
in having a good husband
as Ed. You know you
deserved the best of and
it seems you've got the
worse or something. I
sure hope that I can
make it all up to you
some day. Our future will
be different than it
has in the past my
sweet, I can assure you.

Well now I borrowed
this pen and it sure
is a lot better than a
pencil to write with.
Sure do hope that you
were able to find a
pen in town now.

My darling beautiful
wife. I love and miss
you with all my
heart and soul. I'll

never stop loving you
hon. You're my one
and only and you will
always be. I really
mean everything hon
and I'm not joking.
Life without you and
you wouldn't be worth
living. I really wouldn't
know what I'd ever
do without you. Dearest
I'll always save myself
just for you and you
alone. You're every thing
hon.

Sure would like to
take a bath with you.
Darling I want you
always to love me
and only me. Be mine
hon forever.

See how sure do miss
the nice soft bed of
yours. Hope I can be there
soon.

6
Well how am going
to close for tonight.
Will write soon again.
Please write soon.

Am always thinking
of you and Yuri. Love
and miss you both
with all my heart.

Dearest please take
the best of care of
yourself and our daughter.
Be good sweetheart. Think
of me often. Love me
forever and always dear.
Love you sweetheart.

Always yours,
Daddy Al
