My Darling Wife,

Have a little time this morning so I thought I'd write a little. I hope you don't mind darling. I intended to write you last night again but some how I felt pretty terrible so I didn't write. I don't know what made me feel that way but all is well this morning.

Darling how are you? How's everything with you and your work? Working hard no doubt. How's your hands getting along? Pray that it is much better. How's our precious little daughter? Gee but I sure do miss you both with all my heart.

Am I pray that you don't mind me writing so often and about nothing of great interest. All my letters are just about the same and etc. and no doubt you'll get tired of it soon. Hope not.

Well I guess we'll get paid
sometime to-day. I'll get my ration
money Wednesday. Well how just got
paid and when I get my ration money
I should have about \$38⁰⁰. Well I
guess you'll get your allotment money
for last month to. You should have
\$160 coming for the two months. Gee
how sure pray that you'll get your
allotment soon. Please write and
tell me as soon as you get it.

I can't say for sure but last month
I got paid \$10⁰⁰ and the way I
figured it you have \$160 coming but
I could be wrong. Well we will
find out as soon as you get
your check.

Darling I'll send you some money
as soon as I find out about your
condition. If you or rather if we
aren't going to have another child
I'll send you some money to buy
Yuri another bed. If we are going
to have another baby then I would
to save the money so I can come
home on a furlough, if I can get
one. Please how tell me the truth
cause I'll know what to do.

2

Well hon for your sake I pray that
it's not coming yet. I've been think-
ing about it and I know that
you won't feel any too happy if it
has happened. Funny how I keep
thinking about it all the time
and I can't blame you for the way
you feel hon. I've got no one to blame
but myself. Yep hon if I didn't
get into all the trouble I did
~~and~~ saved things might have been
different. I know that you do wish
that I didn't feel the way I do
about another baby so I'm going to
try my best to forget it.

Well hon I'm going to close for now
but will write soon again. Sure
hope that I'll get a letter from you
to-day.

Please take the best of care of yourself
and Yvni. Be good honey. Love me.
Love you sweetheart.

Always yours,
Daddy Alvin
