Darling,

Well here I am again
and I do hope that I'm
not getting on your nerves.
It really isn't interesting
reading the ~~same~~ ^{same} old
thing is it? Well how
you'd have to excuse it
cause I've just got to
write you every chance
I get. Hope you don't
mind honey.

Went to Finance and
received my ration money.
It wasn't much but it
sure will help.

Well I guess I won't
get any pass this week
but hope to soon. I haven't
gone to see the C.O. as
yet but will do so
tomorrow. I don't care

to go but since my folks has asked me to go and do a few things for them so I guess I'd better go. How I sure would like to get a furlough but I guess I'd better wait a while longer. I know that the longer I wait the less chance I'll get in getting one. That's one of the reason why I wanted you to wire me so that I'll know how. The next time I come home on a furlough I do want another child and if it has happened already than I would want to come soon so that I can spend more time with you while Jim's still around here. I hope you know what Jim's trying to say here.

Sure do miss you and
Yuri. I really am proud
of you both darling. How
I'm going to save all I
can from now on and
will send you some
money when ever I can
dear. I really do love
you with all my heart.
Talking to me your every-
thing. Words really could-
n't describe how much
you mean to me and
how wonderful you are.
I really mean it too
and I'm not trying to
make you feel good.
You mean everything
to me darling and al-
ways will. I love
everything about you
so don't ever change.
Dearest wife please love

me and be mine and
only mine for ever and
ever. Promise me that
you'll always love me
and be just mine how
forever.

Well I guess I'll go
and see a movie to-night.
It is so darn hot around
here during the afternoon
and evening that I
don't feel like doing a
darn thing. Around
10:30 p.m. it gets plenty
cold cause I need 2
blankets to keep me
warm but about 4:00 a.m.
two blankets doesn't
seem enough. Gee how
I sure do miss that
nice soft bed of yours
and you beside me.
Can't hardly wait until
we can be together
for good how.

Sent the birth certificate
and marriage license in
to-day. Thanks ever so
much for getting them
for me so soon. Pray
that you'll get your
allotment check real
soon dearest.

Dadling am going to
close for to-mo. Will
write soon again. Please
write soon.

Please take the best of
care of yourself and Yuri.
Please Be Good Hon.
Love you sweetheart.

always yours,
Habby al
