Harling,

Well how I won't be able to write for a few days because we are going on a problem. I had to get my mess kit and other things cleaned cause I'll have to use them. The pack is sure heavy and I still have to put another blanket on it tomorrow morning. I sure do hate to go but it's just one of those things. They say you go you go. Well I hope it won't be any to bad.

Well how how are you?
How's our little daughter?
Pray that all is well
how. Well I can't say

much cause things
are still the same.
For the last few days
I had to drill the
fellas when we have
drills and do I hate
it. Gee I hope that
I'll get ship soon.

I guess I'll get a
3 day pass to go to San
Jose next week. It
isn't definite yet
but so far I think
I am. Now I don't
know whether to get
a furlough or not. I
was told to get one
now if I can get it
but I am undecided.
I may never get one
for a long time
cause I may go over
seas. It really is
hard to say what
they may do.

2
Hon if I can get one
I'm going to get one
and come home. I
guess I'd better get
it now than wait.
Hope that you won't
object hon!

Darling I kinda expected
a letter from you to-day.
Oh well I guess you
haven't got the time to
write cause I know
that your work does
keeps you busy.

How's Yuri hon? Gee
I really do miss her.
Tell her that daddy
loves and misses her
just like mommie.

I am always think-
ing of you both hon.
Please hon don't
ever make Yuri for-
get me. Promise?

Darling can you get
me a shoe ration stamp?

If you can wait till
I come home on a furlough
so I can buy a good
shoe. If I can get one
from the C.O. here I'll
get one. I really am
getting tired of wearing
these heavy G.I. shoe.
I need a nice civilian
shoe so that I can
relax my tired dogs.

Well I guess I'd
better finish this letter
so that I can take
a cold shower and
etc. It sure is plenty
hot around here in
the afternoons. Hope
that you are having
some nice weather
out your way. Hope
I can come home soon
darling.

I guess you must be getting tired of hearing from me so often. I'll close for tonight and will write you soon again. Please write soon dearest.

Please take the best of care of yourself and Yvri. Be good dear. Love you sweetheart.

Always Yours,
Hubby W.
