Harling,

Will know here I am again. I didn't go on the problem cause the C.O. came after me while we were marching out there. Yes know I am finally leaving Camp Beale for Tenn. I may get to stop at Chicago and see you but I may not go that way. Harling I couldn't get a few days lay over or delay cause my orders were already made out. Now if I do come by the way of Chicago I'll drop in and see you for a day.

Well how I've been trying to call you on the phone all afternoon but the lines were busy and etc so I didn't get a chance to call. I may try my luck to-night and hope that I can be able to call you. Well how I'll send you a wire if I can't call you.

Well from Penn. I can come home on a three day pass cause it is only 9-10 hrs. from Chicago. Oh well how it is another place just like here cause it is a ASF PRD. Well how I hope that I'll go by the way of Chicago so I can see you soon.

Well how I started this letter long ago but did not finish it. I went to the service club and ~~try~~ tried to call you but couldn't. I'll send you a wire in the near future.

Well how it looks as though I'll be going across soon. I really don't know when but I've got a feeling that it will be soon. I'm going to try and get a furlough from Camp Reynolds. Yes how I'd better get one before I don't get any at all.

Darling I am anxious to hear about our little delicate matter of the baby. Are we

or aren't we going to  
have another good? In  
other words what was  
the outcome of my  
lovely little visit ~~there~~  
there. Gee how I do  
want another baby  
but I guess we had  
better wait eh? Well  
anyhow how I won't  
try to ask you again  
about it unless you  
want one yourself. I  
pray that you'll feel  
the same way I do  
soon because I may  
not be in the States  
when you would feel  
like you'd like to have  
another. One thing is  
that I may go across  
in a short time  
the way things look  
and I would like to  
have another child.

Well I've still got a lot of packing and things to do before the night is over. I am leaving this Camp Sat. afternoon and I haven't even started to pack. Oh well I guess it won't take me long to pack.

Darling I really do miss you and would like to see you soon. I long to hold you in my arms and hold you close to me and kiss you. You're really lovely and sweet too. Please don't ever change.

Now please tell Yuri that daddy will come and see her soon. I sure do miss her.

Well how at least  
I'll be closer to you  
now than in a long  
time. Darling maybe  
I can find a place  
for you and Yuri to  
come for a few weeks  
close to camp where I  
can come home once  
in a while. I am  
sure that I can get  
a pass about every  
nite if I can have  
you close enough.

Well any loop how I'll  
wait till I get there  
and see what its  
like first. Darling  
I'll try to see you  
often how. I love  
you with all my  
heart. I miss you  
how and need you.  
Please love me for-  
ever and ever dearest.

Darling I'll better  
 close now but will  
 send you a card  
 when ever I get a chance.  
 I won't write any more  
 letter until I get to  
 my next camp loc.  
 My next address will  
 be ASFPRD Camp  
 Reynolds, Greenville, Pa.  
 If you address the letter  
 that way it will get  
 to me alright. I'll write  
 and give you inform-  
 ation after I get there.

Darling take the best of  
 care of yourself and Yuri.  
 Please be good.  
 Love you so sweetheart.

Always Yours,  
 Hubby Al
