Darling,

Well I finally am in another Co. and can't say much as yet. I don't know how things are in this Co. Well I am a little happier now that I've left the holding Co. I am now in a rather my new address is Co. B.
4th Groupe 2nd. Regt. Camp Reynolds, Pa. Bks. 1110.

How are you honey? How is our little girl these days? Gee but I really do love and miss you both with all my heart. Pray that I'll get a chance to come home soon. I still have to have a lot of things done before I can apply for an 3 day pass. Gee for I'll only be able to spend a short time with you and

Yuri but it will sure be worth it. I was planing to come home this week end but I guess I'd better wait awhile longer cause I may not be through with all my processing. Now I'll call you or let you know by wire as to when I expect to come home.

See it sure is warm out here. I believe Camp Osage is a little cooler than here at times. Oh well now all I am hoping is that I'll be assigned soon to some unit. I am intending to write to a Colonel I know and have him help me.

Colonel Greenwalt asked me to write him whenever I needed any help or advise. He is the Commandant of the R. C. at Camp Phillips Kansas. See I hope that he can help me a little.

Gee but this sure does re-
 mind me of the days I
 spent in the Reception Center.
 Packed all my bags this
 morning to move into this
 Co. The way they call so
 many fellas and send them
 in that Co., so many men in
 another, and so forth. Boy! and
 the shots I had the other
 day, I can still feel them.
 Well I heard that I'd have
 to take more shots as yet.
 Ah well it's a good thing
 that they don't hurt any
 but the effect afterwards is
 what I hate.

How did I leave a letter
 there with Frank and Trudy's
 address in it? I looked for
 the letter here and I
 couldn't find it. Gee I
 really am terrible forgetting
 things. Ah well I never did
 have a good memory any-
 how eh?

Well how I hate to bore you
like this but I am until
I leave the States. How don't
you think we should have
another child now instead
of waiting any to long? I
really do think that we
should. I know you want
a rest and that you want
to enjoy yourself and etc.
Maybe your thinking that
I'm crazy or something but
the more I try to forget
about it the more I think
we should have another.
Honestly how I would really
be very very happy. I know
that it is hard when
you have your mind set
on not having one for
awhile but sure will pray
that you will change your
mind. It really is tough
when we are broke and
everything but I am sure
that all will be well at
the end. Gee how please say

3

yes. Well how I'm going to
keep on asking you until
I leave for overseas and
then I know that I'd better
forget about it cause it
wouldn't do any good to
think about it then. Gee
how don't you think you really
should have a playmate. I
mean a brother if possible or
a sister. I know that it
would really make her very
happy how.

Sailing I am going to close
for now but will write you
soon again. ~~Will~~ Write soon.

Please take the best of
care of yourself and our little
Yuri. Am always thinking
of you both. Love ~~you~~ and
miss you both with all
my heart. Be good honey.
Love you always sweetheart.

Always Yours,
Hubby ~~al~~
