Darling,

Thanks ever so much for your letters which I received to-day. One you sent Camp Beale and one you wrote from there. It really was swell hearing from you how your letters are so very sweet and interesting. I really wish that I can write good letters as you my dear.

Well how the weather out here is worst than Calif. I know it was hot out there but hot is no word for it out here. Gee I guess no matter why I get sent I always have to complain eh.

We or rather I received some more new cloths and etc here again. Went to see a G. I. movie. ~~or~~ I guess it will take a few more days before we can finish processing in this Co.

Darling it really makes
me very happy to know that
you love me and miss me
so very much. I feel the
same way about you my
dear. You and the baby of
ours means everything to
me darling. Sure wish
that I can come home soon
to see you.

Dearest please don't worry
about me getting hurt or
anything cause I'll try my
best to come back safe and
sound to you and our
little daughter. Yep, for,
there are going to be many
more killed before this war
is over and I pray that
it will end soon. I can't
blame you for worrying
cause many gets killed
every day. I know that I'll
go across one of these days
and I really don't want
you to worry any to much
I know all will end soon.

Gee hon I really do miss
 you and Yuri with all
 my heart. You two means
 so very much to me hon.
 yes miss you and every
 little thing about you hon.
 I sure do miss playing
 with Aileen hon. She is
 such a sweet child. She
 sure can talk and I kinda
 miss her jabbering around
 and everything. Darling I
 really do believe that we
 should have another. Honestly
 hon I really do want an-
 other. Hon I want you to
 say "yes" and I'll be oh,
 so very happy honey. I've
 been trying my best to for-
 get about the idea but
 I can't hon. I keep think-
 ing about each night
 so please hon don't let
 me down. Honest hon I
 won't ever let you regret

it. I know that the last
time I neglected you and
didn't do much for you
and you know but this
time it really will be
different. I know that you
may have to go through
all those long months
without me and every-
thing will be hard for
you but I'll do all I
can to help you my dear,
well any how you can
think it over for a while
until I come to see you.

How pray that your fingers
are getting better my dear,
I know that it would be
expensive to see a doctor
but it's better to see one
real soon. Pray that this
doctor at Evanston can tell
you what caused it and
give you a medicine to
cure it. It really is terrible
cause it itches + etc.

Oh yes I received a letter from Fred to-day. It really was swell of him to write me. Didn't have much to say but it sure makes me feel good to hear from him.

Sweetheart I have a booklet here just like the one I got a Camp Beale. I'll bring it with me when I come home on a pass for.

Well now I may not be able to get a pass this weekend but will try to get one next weekend.

I can come home on a weekend pass but the only trouble is that I won't get to spend hardly any time at all at home.

I guess I'll get to spend about 8-10 hrs. at home and then I'll have to leave again. Well I'll get a

3 day pass after this week-
end and around the follow-
ing weekend dearest. I
am going to try and find
a place near here if I
can and have you stay
for a week or so. They have
a guest house here but I
won't be able to stay there
with you my dear. Oh
well I'll look around and
find out if I can find
a place near here so
you can come on a little
visit. Will let you know
as soon as I can dear.

Darling please think about
our little Jr. cause I just
can't get it off my mind.

Dearest please keep loving
me always and forever.
That is asking a lot but
please do. I love you so
very much lov. your
really the tops and
I don't mean may-be.

Dearest I better close for now and say good-nite. Will write soon again. Please write soon.

How I love and miss you and baby Aileen with all my heart. Am always thinking of you both. Please take the best of care of yourself and Aileen. Please be good honey.

Love you sweetheart.

Always Yours,
Hubby Cal
