My Darling wife,

Thank you ever so much for the lovely letter which I received to-night. Gee hon it really makes me very happy to hear from you, and such nice lovely letters too. Gee hon sure wished that I can write as well as you.

yes dear, it really is plenty warm out here. To-day or rather this afternoon it rained something awful for about 20 minutes. It sure does rain around here and often too. It rained the other afternoon the same way. The ground is dry as a bone outside already. The weather out here is really hot and I really hate it. It is a different kinda heat than Calif.

Darling I am planning to and see the first Sgt. tomorrow about a pass.

I'll let you know whether
I get one or not as soon
as I find out. Gee hon
I really do miss you and
dieser with all my heart.
Gee hon I can't see how
that fella can come home
each weekend from here.
Boy I tried to figure it out
and on week ends it will
be only for a few short hrs.
but with a 3 day pass
I can stay home a day and
a half. Oh well I find
out for myself real soon.

Dearest your really sweet
and I love you so very
much. Darling please love
me always and forever.
yes hon it makes me very
happy to hear you say
all those sweet things.
I love you and always
will hon. your the tops
with me and you will
always be hon.

Darling I know exactly how you feel here. I really would like to have you and Aileen here with me but the only trouble is that I don't know how long I'll be here. I may be here a couple of weeks or maybe less or maybe couple months. Nothing is certain here so I really don't know what to do. How if I can find a place for you and Yvonne to stay I'll have you join me here even though it may be for a short time. The guest house isn't no place for you and Aileen but if I know that I'll be here for a while I'll have you both come here. Oh well how I'll see you soon

and we can talk it
over.

Tomorrow is your day off and
I hope that fall will be
nice for. Sure wish I could
be there to help you spend it.
I pray that this war would
end soon so that we can
enjoy our lives together for.
Honestly for I really think
that we both can get
along very nicely for.

See for I pray that you
got the money I sent you
the other day. Darling I'll
never forget the 11th of July
cause it was our day eh
for? Well for the only thing
left to make me completely
happy would be — you know
what. Yes for if you will
only say yes. Well for
it seems that I'll never
ever can stop myself from
thinking about it for.
It really is just one of those feelings.

Darling am going to close for to night but will write soon again. Write again soon hon. I really appreciate your letters and am always looking forward into getting one.

Darling love you and Aileen with all my heart. Miss you both my love.

Please take the best of care of yourself and Aileen.

I am always thinking of you both my sweet.

Love you sweetheart.
Be good always hon.

Always yours,
Hubley Dal
