My Darling wife,

How are you my love? How's our little Aileen getting along? Gee but I sure do miss you both hon. I pray that this war would end soon so that we can be together for good.

Went to see a couple of G. I. movies to-day and that just about finishes up my processing here.

The rain out here has been terrific to-day. It rained quit a bit just after noon. Pray that you are having some nice weather there hon. Hope you had a nice day off.

Darling I went to see about a 3 day pass to-day. I don't know whether I'll get it yet or not but am hoping that I will. Hon if I get the pass I'll be home sometime Monday

morning. My pass is to
start Sunday night. I thought
I'd better get a pass now than
wait cause I may leave
here before I get a chance
to see you and etc. Now
if I get a chance to let
you know I will either call
you or send you a wire to
let you know that I'll be
coming. If not I won't
bother and if I'm not there
by Monday morning I won't
be coming. Will have my
picture taken while I'm
there too.

Well now am going to close
now for awhile. Have to get
cleaned up for show. Ah yes,
they are going to have beans
for supper tonight so I guess
I'll try to finish this letter
now. Yes the good ole Army
beans and how I hate
them.

Darling I really don't know how to tell you how much I love and miss you. your really the tops too. I really am very very fortunate having a beautiful and wonderful wife as you. How please don't ever stop loving me cause you will just break my heart. you and Alice means everything to me darling. I really wouldn't know what I'd do if anything or if some-one ~~was~~ else should come between us.

How is our little daughter honey? She sure really is cute and I miss her. She sure must of got her beauty and everything from dear mommie.

Oh how I really am praying that I'll get my pass Sunday morning so that I can be with you Sunday nite. As long as I get the pass I'll be satisfied.

See how the only trouble is that I can never find anything new to write. It always is the same ole thing and nothing happens of any interest. The same ole training and so forth and I really am getting tired of it. Oh well I guess I'll just have to take it and like it eh.

See but my uniform is plenty dirty again. I guess I'd better wash it tonight or sometime tomorrow. The only trouble is that there isn't any iron around here to iron it with. Well I guess a clean uniform not ironed looks better than a uniform that's dirty eh. Yes I've been arguing with myself for the last few days whether I should wash it or not so I'd better wash it. See but I sure do feel lazy and sure hate to do anything.

Well darling his going to
close for to-nite. Will write
soon again. Please write
soon again.

Please take the best of care
of yourself and Aileen. Be
good honey. Sure hope that
I'll see you soon.

Love you sweetheart.

Always Yours,
Hubby Sal
