My darling -

Thank you for all your letters. You are so swell to write everyday.

Your darling daughter is in the bathtub. Gee, I sure love to watch her when she doesn't know I'm watching. She looks so sweet trying to scrub her back. Yurif, sure can get me angry at times, but gee, I sure love her. These days she is getting hard to handle and can sure be passy. We all were like that once, eh?
Time for her to get out

and go into bed; so
excuse me while I do
it. Now to continue;
every night baby and
mommie lay on my
bed and talk to your
picture. Tonight I just
couldn't look at your
picture. Tears started
to roll out so fast I
had to look away.

Honey I feel so awfully
low tonight and my
heart is just aching.

I do wish you were
here; so I could cry
on your shoulder.

The one reason why I
feel this way is
because Mrs. Freudenthal
said something that
made me angry. Now
I feel so disgusted
and tired and lonesome
that I feel like

quitting and go where I don't know. I feel so miserable now. I can't hardly see my writing. Darling I sure wish you were here.

It was sorta cloudy all day today. Sure felt swell. I went with Mueki, to Haukegan. Had our supper in town and came home before seven.

Hox. Can't you get a pass; so you could leave Friday evening and get here by Saturday morning and leave here Sunday afternoon and be back by Monday morning? This would at least give you a day and

a half with us. Its too much of a tiresome trip if you can only visit us for 8 or 10 hours. This fella Eugene Cornovacs, who lives in Highwood always gets a pass; so he would be home by Saturday morning. Last week he was home by Friday morning, thats what Helen said. Anyhoop, honey when you intend to come and see us at least get a pass. so you would be here Saturday morning. I hope you can get it, dear. Let me know if you can when you plan to come.

I guess there is no use visiting you and staying at the guest

house if you can't come at night and stay with us. Maybe you could find a reasonable place near by camp or is living around there expensive? I hear auto courts are quite reasonable. I think it might do me some good to get away from here for a while. Now, you left one letter that I wrote to you. I destroyed it already. Here are the addresses again: Trudy - B. 23-4-A
 Frank - B. 1-9-F
 Heart Mt., Wyoming
 Your address is sure a big one.
 Honey I won't write any more because I

feel so blue. I need
you so much.

I've got to soak my
hands and feet yet.
No-tum! I don't even
feel like it.

Well, goodnight darling
Be good and take care
of yourself.

I love you so much.
Hope we'll see you
soon.

All my love,
Hathy
