Darling wife,

Thanks ever so much for the letter which I received from you to-day. Gee hon I really do miss you so very much.

Well hon I didn't get my pass. The pass situation in this outfit is really something and there were many that did not get a 3 day pass. I could of gotten a week end pass but I wouldn't of been able to leave till late this afternoon so I didn't bother with it. I can't tell you the reason why I didn't get a pass cause all they told me was that it was turned down. It may be that I'll be leaving here sometime the middle of next week and they need me here. Gee hon I really don't know what to tell you cause your

guess would be just as good as mine.

Darling what did Mrs. Freudenthal say to you? Please tell me hon. I know that working there is awful hard and everything but please have courage and please stay there just a little longer. If I don't leave here soon hon I'm going to have you and Yvri come out there even though it may be a short time. Darling I'll try and call you sometime Wednesday or maybe Tuesday of this coming week and let you know whether to come or not. The only trouble is that I can't get a chance to go and find any place to stay. Hon if you do come you and Yvri can find a room in some hotel or someplace out here in Greenville or Sharon.

Ok well anyway hon I'll call
you up and let you know
what the score is. If I'm
to leave soon then it would-
n't do you any good to come.

See hon I know exactly how
you feel. I feel the same
way hon cause I love you
so very much. I'll say this
much hon I never felt
like this before. Darling I
love you so very very much
and I want you to love me
forever hon.

Darling I know you feel
like quitting and leaving
that place and I can't
blame you. See hon if I
only hadn't done what I've
done last year all this
would of never happened. See
hon I used all your hard
earned money and if I did-
n't you wouldn't had to
work like you do and can
take life a little easier.

How you can play what you like and you can go either over to my folks place or yours. I really would hate to see you go back to Mt. Mt. cause I know that some day you'll kinda forget me or something. But on the other hand that is about the best place for you cause your sister and folks are there.

See how I can picture Aileen playing in the bath tub and so forth. I really do love and miss you both. Aileen will probably get a little more sassy and she may get real hard to handle one of these days. She may be a little like that now. Wonder how she will be in a few more months. See how sure would of liked to had another so she could have a playmate but I guess that's out of the question.

Sweetheart I really don't know what to tell you to do. Now please do what you think is best and if you feel like quitting please do so. Now I can assure you that I'll save every cent I can and will send you every cent that I don't need. Darling I want you always to remember that I'm yours and only yours forever. I'm faithful to you now and always have been. I'm just saving myself for just you and you alone. Darling I really do love you with all my heart and if ever you should let me down it will break my heart into a million pieces. I really mean it dearest. I want you always just think about me and no one else. I can't help but worry cause your so charming and beautiful and your really the tops. Any man wouldn't hesitate to make a try for you and I can't blame em. Now you

are every bit of what I've
said. I really have been a
dope for not treating you and
Aileen better in the past and
I really am sorry for it. you
deserve the best and from
now on hon things will be
different. I will try my darrest
to make you and Aileen happy
hon. I promise.

Well I guess you have expected
me to come home on a pass
according to my last few letters
eh? I'm sorry hon but it is
just one of those things. The
Army is to big to buck and
if I can't come home I can't.
Tomorrow will be Sunday
again and I sure would of
liked to spent it with you.
See hon I'm always thinking
of you and Aileen and I
always will. you both mean
everything to me my love.
I am praying that I'll be
able to come home soon hon
cause I really love and
miss you. Love me darling.
