Darling,

Well I guess this is it. I really don't know what to write and say but since I have to mail you the Key I had to write a little something.

Hon please excuse me for not writing you more often. I have been pretty busy getting things ready and so forth that I did not have much time to write.

Hon no matter what happens please remember that I'm your husband and that I love you always and forever. It really has me down hon cause I wasn't able to see you just once again. Hon please work there until you hear from me again.

Hon sure hope that you have recieved your allotment hon. If you haven't as yet or in the near future please write and let me know.

Dearest words can not describe how I love and miss you. Please be good hon always. Love me forever and always hon.

I am enclosing the key for my ~~2d~~ suitcase and pray that you'll get what few things that are in it.

Honey I'm going to close now cause I've got to do a lot of things yet before I leave.

Dearest I promise that I'll be very good and I'll take the best of care of myself. Hon please take the best of care of yourself and Aileen. Please be good. Will always be thinking of you my love.

Love you sweetheart.

Always Yours,
Habby Sal
