Darling,

Received two letters from you in the past few days. Thanks ever so much for writing. Sorry that I couldn't write you any sooner but will write as often as I can.

Glad to hear that you is having a good time. I guess she sure is enjoying herself playing with all the other children around there. I sure do miss her and wished that I were there too. Aileen is a very cute and sweet child just like her charming mommie.

Well we are having
some good weather now
and how long it will
last no one knows. I
hope that it will
stay this way for
some time. Glad to
know that you are
having some nice weather
in Wyoming too. Sure
hope that it doesn't
get very cold out there
this winter.

Dearest don't worry
about me cause I
am always being
good. I know that
in your mind your
thinking that I may
fool around or some-
thing eh? Now you
can take my word,
for what it is worth,
that I am faithful

and true to you and
only you my dear. As
far as women and wine
are concerned there is
plenty in Italy. How
you and daughter Aileen
means so much for
me and am thinking
of you both always. How
please don't worry cause
I know that I have
you and I'm just yours
and yours alone my
love Darling I'll always
be faithful to you
until you change me.

I guess Frank is
mighty proud of his
boy Ted? Well I can't
blame him. Sure hope
that he will get out
of the hospital soon
so he can enjoy play-
ing with his son.

How you are right that
a camp like that isn't
any to good to raise a
child. In a way I
kinda hated to see
you go back but I
guess it was for the
best. Since you are
there you might as
well stay and rest
yourself. How please
try and bring Alice
up the best you can
and don't let her get
to mean or naughty.
I know that it is
tough for you cause
I'm not there. I know
that she misses her
daddy but don't let
her forget that she
has a daddy and
that daddy is think-
ing of her always.

Well how as soon as
I get paid for last
month I am going to
send you some money
so that you can buy
yourself and your
nice Christmas present.
Sure hope that I can
find a few Xmas cards
so I could send them
out.

Well how am going to
close for now but will
write you soon again.
Please take the best
care of yourself and
our little daughter.
Be good.
Love you sweetheart.

Please give
my best regards
to all.
Love
write
soon.

Always Yours,
Hubby Al
