

AMERICAN RED CROSS Nov. 5, 1944

Hi! Darling,

Well here I am again. I thought I'd write a little something cause I had a little time. Time is scarce with me here and I want to write you every chance I get.

Now I want you to take things easy at home cause your all tired out from working so hard while in ell. Well anyhow since you with your folks you should be a lot happier and should be able to devote more time with your and yourself.

your sure must be playing around pretty hard to wear out a pair of shoes in a week. It's good for her to play around and have fun

and I regret that I can't
be there to play with her.
Sure do miss you both
with all my heart dearest.
I guess Aileen sure misses,
not having, her daddy there
with her. I sometimes wonder
if she really knows her
daddy. I hope she does.

Darling keep on having
good dreams cause mines
has been awful lately.

Last night I dreamt that
I met you at a party or
a dance with some one
else and you have forgotten
all about me or that I
was ever your hubby.

I pray that that day
will never come my dear.
Oh well dreams are dreams
and I don't believe in
any of it.

AMERICAN RED CROSS

Glad to hear that Frank is feeling swell. Sure hope that he will get well soon. I have written to him a few days ago and I hope that he gets my letter alright. Sure hope the doctors can do something for him cause that is a bad thing to have. Please give him my best regards.

Thanks for the two little lines. I would like to know why the "news of long past matters will change your affairs" mean. The way I look at it past is forgotten with me but if they talk about it often it's news. I sometimes worry that my past may change my affairs or something. Oh well how

AMERICAN RED CROSS

I'll worry about all that when the time comes and I hope that I won't have to worry about it.

Darling you don't have to send me anything cause I've got all I need while I'm ~~in~~ here. We get our P.X. once every two weeks and besides we don't need anything outside a few packs of cigarettes. Well all in all everything is alright thus far.

Well the way things look I guess it will be a long time to come yet. Some how I've got a hunch that I'll be home soon. Sure hope that I will be able to come home soon my love.
