

AMERICAN RED CROSS Nov. 6, 1944

Darling,

Thanks ever so much for the letter which I received to-day. It really is wonderful of you to write so often. Thanks again my dear cause I really appreciate you writing so often.

Glad to hear that all are well with you and everything. I guess you are very happy now that your home no doubt.

Hon please watch Aileen so that she won't get any to naughty. I know that her being there is bad for her but you should have plenty of time to devote to her.

I really do want Aileen to grow up to be a nice lovely lady just like you my sweet.

I really do love and miss you both with all my heart my darling.

AMERICAN RED CROSS

Dearest I'm awful sorry
that I've written and asked
you to send me some money.
I bought myself many things
which I'll need while here
so I spent all I had. after
we arrived over here we did
not get paid for some time
and I needed to get some
PX orders so to be on the
safe side I thought I'd ask
you to send me a few dollars.
Well in the mean time we
got paid and so I don't
need the money however I
had to borrow a few dollars
to buy my PX order before
we got paid. I still haven't
received my last months
pay but hope to soon. Oh
well I pray that you will
understand how. You don't
ever have to worry about me

getting into trouble. Luce was
enough for. I regret that
you had to think wrong
about me dearest but I
guess I can't blame you. I
know that your trust in me
is gone. Oh well everything
has been my fault any
way. I only hope that you will
trust me one of these days.
I guess I'm an awful poor
husband dear and please
forgive me for not keeping
my promise to you. You see,
the whole trouble is that one
never knows when he will get
paid around here. I know
many a fellow that hasn't
been paid for a very long
time. Oh well when they get
paid they'll have a lot of
money. Please forgive me for
asking you. I should have
known better my dear.

AMERICAN RED CROSS

I should of made up the allotment for the extra pay which I receive for being across but instead I'll save it and send it to you from time to time. It won't be much but it will help you and sileen very much.

How I pray that your love for me will never die but I'm kinda worried about it. If your feelings towards me should ever change please let me know. I know that ~~was~~ I was your second choice or some thing. I can remember the night of July 11th and what you said that night to me. It comes back to me every so often and I some times worry about it. Oh well how all I can say is that come what may if you love me you do if you don't you don't. If you should go out to dances with

others fellows and fool around
you would and if you
don't you don't. There isn't
much I can do or say since
I'm not there with you. All
that and everything is entirely
up to you. You can do what
you think is best.

Sorry that I can't tell
you when I am except that
I'm somewhere in Italy. Maybe
in the near future I can
write and tell you a little
more about the whole thing.
I know that you are curious
and would like to know
how but please wait. However
I can tell you that I've visited
Naples or Rome. I've only visited
Naples once and it really
isn't much of a place. Oh well
how some day I'll be able to tell
you all I know and everything
so please wait until then.
