Darling,

How are you Mrs. Alvin E.?
How's our little girl getting
along these days? Pray
that this letter finds
you, Aileen and everyone
else in the best of health.
Well I've finally gotten
rid of my little cold.
Well my hoop box all is
well and I'm still
picking around.

The weather out here
has been nice for a
couple of days but it
started to get cloudy
again. It sure looks
like though we will
have some more rain
real soon. Gee it doesn't
even give the ground
around here to dry up
or anything. Sure do
hate this muddy hole.

Darling please take the best care of Yviri and try not to have her get naughty like the rest. I know that she will learn many bad things and everything in camp and I can't help but worry. Ah well I know that you will try your best my dear.

Darling I guess I won't get a chance to get anything for you or Helen for Christmas so I'll send you some money instead. I should get paid about the 15th of this month and when I do I'll send you the money. I really think that it is foolish to

3/ buy any survenier around
here. They are expensive
and besides it isn't
worth what they want
for them. Oh well if
I should ever run across
anything worth while getting
I'll get them.

Have visited Naples once
and it really isn't much
of a place. Besides I
don't feel like visiting
here and there cause
I haven't the time. All
I can say now is that
I'll tell you everything
after I come home so
please wait until then
to ask me questions of
this and that.

Darling I love and miss you and daughter Aileen with all my heart. I am constantly thinking of you both. You and Aileen mean everything to me hon. Please Don't ever forget that you have a hubby & way out here and please think of me often hon. Don't ever change your feelings towards me and love me always.

How has your folks or Judy mentioned anything to you about me and the trouble I got myself into? I know they have and if so, what did they have to say? I really would like

5/

To know all about it.
I know that it would
be hard for you to tell
me but I really do want
to know.

Well I guess I've written
enough for this afternoon.
Will close now but will
write you soon again.
Please write soon.

Take the best care of
yourself and daughter
Aileen. Be good. —
Love you sweetheart.

Always
Faithful
You Mrs. Abbie E.
Love and miss you
with all my heart
Love me sweetheart
dearest Always
Love
al

Always Yours,
Hubby al.
