

Nov. 8, 1944

Darling,

Received 3 letters from you today. It really was nice hearing from you hon. Two of your letters were written while still at Highland Park. The other was from Heart Mt. and all about your trip to Glenver and so forth. I sure am glad that the trip wasn't any too bad but it sure did cost a fortune.

I sure am glad to hear that you have started to receive the allotments. I am sorry that I didn't make out the other one before I left. but I'll send you some from time to time.

It good to hear that your hands are getting a lot better my dear. Sure hope that it will be completely well soon. Happy to know that you and baby Aileen are in the best of health my love. I got rid of my cold and all is well. I am alright so please don't worry my dear.

Darling I am doing my best and am being good, faithful, and true to you. Now if at any time you should change your feelings towards me than there is nothing I can do about it. I know that if you

really love me with all your heart it shouldn't ever change. my love for you will never change hon. I loved you from the very first day I met you and I still love you now and forever. If you should ever change or if you should ever find some one else please don't try and keep it from me. I want you to tell me just how I stand. Promise?

The weather out here has been pretty good for the past few days. I thought it was going to rain to-day but it didn't. Sure hope that it will stay like this from now on. Sure hope that you'll have a warm winter this year.

See hon I really don't know what to say cause the holidays are coming just around the ~~corner~~ corner. Thanksgiving, Christmas, and the new year. I'm going to try my best to get you and Aileen a little something but if I can't I can't. Sure am going to feel awful low this holidays. Oh well that's life. I guess.

Well I'd better close for now but will write you soon again. Please take the best care of yourself and Aileen. Be good.

Love you
sweetheart.

always yours,
Hubby Al
