

AMERICAN RED CROSS Nov. 13, 1944

Dearest Wife,

Received two letters from you to-day. Thanks ever so very much my dear. One of the letter I received was from Highland Park. It was about you spending some time at the W. R. A. office and that you have your reservation on the train on the 9th and so forth.

Darling sure am happy to know that my little family is getting along just fine. As for myself everything is still the same. The weather has been nice for a few days again but it sure is plenty cold. Sure wished that we were together my love. Pray that the weather out there will stay nice for you and baby Aileen.

AMERICAN RED CROSS

Harling words can not express nor describe how much I love and miss you and little dileen. You both mean so much to me my love. I am constantly thinking and worrying of you both my love.

Incidentally how is mother getting along? Pray that she is in the best of health and everything. It really is a shame about your dad. Someone should stop him from drinking. Oh well I guess it is in his system so much that he can't stop. Sure hope that he will stop cause it is bad for him. How please give mother my best regards and tell her that all is well.

AMERICAN RED CROSS

Dearest I really can't think of anything to write way out here. I really feel so bad cause I don't know how long it will be before I'll ever see you and Aileen again. Sure do feel bad cause you sure must miss her Daddy and you cause you haven't got me around and everything. Sure pray that you don't get any too lonesome my dear.

How the next time you should write to Trudy tell her to drop me a line or so when ever she has any spare time. I imagine you do miss her eh? Can't blame you how cause you haven't seen her for so long. Please send her and Ed. my best regards.

AMERICAN RED CROSS

Well how I'm going to
close cause my Chadds are
plenty cold. Gee but I sure
do dread going to bed cause
it is so cold. After I get to
get up in the morning cause
my bed is warm. Sometimes
it stays cold all the time
so I can't sleep. Oh well I
hope that everything will
be over soon so that I can
come home.

Dearest please take the
best care of yourself and
daughter Aileen. Please
be good.

Love you sweetheart.

Always
Faithful
To you
Mrs. Alvin E.
