

AMERICAN RED CROSS Nov. 18, 1944

Darling,

Received a letter from you to-day. Thanks hon. Thanks for the picture. You and Aileen look nice. I hon and I sure do love and miss you both with all my heart.

Sure am glad to know that your all alright. Received a letter from Judy to-day. Sure was awful sweet of her to write to me.

Honestly hon I really can't think of anything very much to write about except the weather. It sure is plenty cold around here and I stay cold from morning till night.

Dearest I don't go to show every night cause it's to cold for that. The best think I know is to go to bed early at night and dream of you. Once in a great while I go to the Red Cross and have some cookies and coffee. Sure pray and hope that I can come home to you and Aileen soon.

Dearest you really do mean every thing to me. Please love me always and forever. No words can never describe how much I love you and miss you my dear.

Oh how I sure do hate these holidays that are coming just around the corner. Sure wished that we were together.
