AMERICAN RED CROSS Nov. 21, 1944

Darling,

Thanks ever so much for the 2 v-mail which I received to-day. Sure was nice hearing from you. I'm sorry that I'm not able to write you often 'cause they keep us kinda busy these days. Well anyhow my dear I'll try to write as often as I can. I may not be able to finish this letter tonight but will try my best to.

Sure hope that all is well at home and that everyone is in the best of health. Bet Aileen is really getting to be naughty and spoiled eh? Please give her a nice big hug and a kiss for me.

AMERICAN RED CROSS

Well how all I can say  
 is that I may be doing  
 the same thing like Guss  
 Ows, Archie and the rest are  
 doing. That's about all I  
 can tell you. The training  
 I received at the Rehab.  
 is sure going to come in  
 handy. It sure is a good  
 thing that I learned at  
 hot there how. Dearest  
 please don't worry cause  
 everything will be alright.

Well I see where you  
 are enjoying yourself how,  
 going to football games  
 and seeing shows and  
 what have you. Well I  
 guess it ~~was~~ about  
 time you enjoy yourself  
 after all the work you  
 have been doing eh?

## AMERICAN RED CROSS

Sure pray and hope that the war would end soon so that I can come home and enjoy myself with you and Allen. I really do miss and love you both with all my heart.

Dearest please try and write me every chance you get. I don't care if you can't think of any thing to write just drop me a few lines to let me know that you still love and miss me and how everything is at home. I know that this mail situation is terrible and slow and hope that you are getting all my letters alright.
