AMERICAN RED CROSS Nov. 23, 1944

Darling,

Sure hope that you and daughterileen had a nice Thanksgiving. Well this was my first Thanksgiving that I never had any Turkey. They had plenty of it at the mess hall but I didn't like the piece they gave me so I gave it back. Well all in all the meal that we had was very nice.

We received our ration ticket for our cigarettes and etc for the next 2 weeks. It sure was tiresome waiting in line for it but it was worth it. Gee I'll sure be glad when the day comes that I wouldn't have to wait like one does around here.

Gee how I really do love
and miss you and Alice
with all my heart. I can
remember the lovely days
and evenings that we
spent together on my delay
which I had before I went
to Calif. I really do regret
that I couldn't get to see
you while at Reynolds
my dear. Sure wished
that I had sent for
you the short stay I had
at that camp. Well it
was one of those things
that just couldn't be
helped. Sure do hope and
pray that we can enjoy
ourselves together real
soon. Well anyhow how
we will be together some
day soon again.

Well it looks like we'll have rain out here again. This cold weather really does get the best of me and sure wish that I could find some way to keep warm. Has it started to snow out there yet? Well I guess it will start snowing there around Christmas. I remember the Christmas I spent there in 1942 and it really was plenty cold. Am praying that we will be able to spend the Christmas after this together darling. Sure hope that the war would end real soon so that I won't have to be here long like a lot of fellas have already.

Well any hoop hon I'll write you every chance I get hon. Pray that you'll write every chance you get cause your letters mean an awful lot to me. Am always waiting to hear from you my dear.
