

AMERICAN RED CROSS

Dec. 1, 1944

Darling,

Thanks for the letter I received from you to-day. It sure was nice hearing from you hon.

Dearest I pray that you and Aileen have gotten rid of the colds. It sure is bad to have one cause I still have mine. Please take care of your cold hon.

Talking about a bath. I haven't had a shower nor anything for about 3 weeks. Boy I sure do feel terrible but there isn't much I can do about it except ^{to} try and keep myself as clean as possible. The

show ~~and~~ situation is very bad here. Besides we hardly haven't got very much time to ourselves. I can write and tell you a lot of things but I doubt whether you'll believe me. Oh well hon I'll tell you all about it when I come home. (which I hope to do some day)

Dearest we really did have a grand time together what few days ~~we~~ spent at Highland Park with you and Aileen. I'll never forget them as long as I live hon. Sure pray that we can be together real soon again.

Dearest I can't blame you for worrying about me. Hon I bet some body is telling you a lot of trash and etc. I knew that as soon as you went home that someone was going to tell you all kinds of things and put crazy ideas into your head. I could be wrong hon but I can't help it cause I've always had that feeling. Well it is all up to you hon if your afraid and can't trust me and have faith in me there is nothing I can do to change your mind. Hon I want you to love me and be happy but if your afraid and

worried than it would
be best to find some
one that you'll love and
can trust and so forth.
I don't want you to sacrifice
your glorious, beautiful, young
life just on account of me.

I know that Aileen had
a lot to do for keeping
us together. Now I sure
hate to write this way
but I really do want to get
things straightened out. I
want you to love me and
have faith in me now but
if you can't you wouldn't
be happy and I don't want
things that way. Think it
over real good then cause
I want your answer one
way or another. You may

find some one that'll love you as much as I do or something.

See Seiji is sure a lucky fellow. Joan really is very fortunate to have a real good hubby. Is Seiji still a Staff Sgt. or has he gotten more stripes? I hope he'll never have to come over seas.

Well my hopes of ever getting stripes again are gone for ever. I can remember the time when I wanted to be a 5/sqt. but that chance is gone forever. I was a sqt. once but them days are gone forever. I can remember when Col. Greenwalt told me that I'll have no

trouble of getting a rating soon again. He sure did have a lot of confidence in me and told me to write to him from time to time. I should write to ~~of~~ him and let him know that all is well.

Oh well hon I'm going to close for tonight. Will write you again. Please write soon.

Take care of yourself and daughter Aileen. Be good
Good night darling.

Love you sweetheart

Always Yours,
Hubby Alvin
