Darling,

Sure am happy to hear that all is well with you and Yuri.

Talking about sleeping. I sure wish that I could get enough sleep but I'm not that way any more. Yes hon I remember all those things and how we used to argue about nothing. They were the good ol' days hon. Well hon from now on things will be a lot different. We were plenty crazy hon but I don't regret any of it. Love you with all my heart.

2/ Darling since I've been
in the 385th I have been
taking Infantry training.
I am kept quite busy
and can't write as
often as I can. I've
had all this training
while at the R.C. at
Sheridan and Camp Phillips.
It is all easy to me cause
the training I had was
very much more advance
than this. I sure am
thankful that I've had
all this training before
now ^{and} that I've learned it
well. all in all this
is plenty tough and
all this review will
come in mighty handy.

3/
Hon please don't worry
cause I'll take the best
care of myself. Well hon
as far as me ever
getting a rating again
are gone forever. I
know that you and every
one else was mighty
proud of me when I used
to be a Sgt. I've often
thought of it and I might
of been a Tech. Sgt or
something by now if I
never got myself into
the trouble. Please
please don't hold that
against me no more. I
know that people are telling
you all kinds of things
cause I lost my rating and
everything no doubt.

Well how am hoping some day that I'll get a break again and get a chance to earn my ole rating back. Nothing like hoping and trying. Oh well one of these days luck may come my way and I'll try my darrest how to make good.

Aye dearest it really is a wonder that you stuck to me this long. However I still can't help but worry about losing you from time to time. You know their are a lot of good looking fellas around there and one thing can ~~lead~~ led to another and so forth.
