My Dearest Wife,

Well here I am again
my dear. Hope you don't mind.
Sorry I didn't write to you
over the weekend. I haven't
been feeling so good but
I should of wrote anyway. Please
forgive me hon. Dearest
I am writing as often as I
can and if you don't hear
from me for a while please
don't worry. Darling I am
still at the same place
and all is well. I haven't
moved except to a different
Co. as you know by now
I'm in the 385th instead

7 of being in the 386th.

Darling please don't feel like you do cause when I come home you'll know all about it. I'll send you a nice big letter saying coming home in big letters and that's all.

Talking about snow there is some on a Mt. near here. Every time I look at it it sure makes me cold and I think about you and Siberia. The weather out here is plenty cold. It rains a lot and the ground is always muddy and I sure do hate it.

3/ Darling please don't get
me anything for Christmas
cause I'm not expecting any
thing. I pray that I'll be
able to get you and Gwi
a little something but
the only time we get a
pass is on a Sunday and
when Sunday comes it isn't
any use going out. Besides
there are too many soldiers
going on pass Sunday and
it is hard to get a ride
and the weather isn't any
to good. I'd rather sleep
on Sunday and take it
easy cause it is the only
time I can have to relax

4 and take things easy.
Sure hope that you and
Aileen will have a nice
merry Christmas my dear.
It really is a shame that
I can't be there with you.

I received a package
from the kids at home. It
really was swell of them to
remember me. They sent
me some peanuts and candy
and it sure was plenty
good. I've still got to write
them and thank them.

It seems as though your
spoiling Aileen but I guess
I would do the same thing.

5/ She sure must like her
ice cream cones and I don't
blame her. Yep hon Yuri
no doubt, is getting cuter and
cuter just like her mother.
Words can not describe how
much I love and miss
you both my dear.

Hon hope you'll get your
sweater finished soon. You
should be pretty good at
it by this time. Gee hon
I pray that the day will
come soon when I can be
with you and watch you
do those things. Sure pray
that it won't be to long
before we are together again hon.

6/

Darling am going to
close for tonight. Will
write you soon again.
Please write soon and
often.

Dearest please don't
worry about me cause I am
being good. I'm yours now
and only yours forever.
Love me always dear
and think of me often.
Please take the best care of
yourself and Allen. Be good.
Good night darling.
Love you sweetheart.

Always Faithful I.
you Mrs. Alvin E.
Love, W

Always Yours,
Habby Alvin
